

# PLACARD 5.56X45 - SPIRITUS SYSTEMS PLACARD 5.56 X .45, BLACK

[Home](#)

The LV Placard was designed to give users superior retention of magazines and other mission critical equipment. The usage of elastic creates form fitting cells that can hold a variety different items. The stretchy nature of elastic allows it to expand to accommodate large or oddly shaped pieces of equipment. Unlike other elastic pouches on the market, we utilize webbing at the base of the system instead of sewing it completely shut. This allows for maximum flex and articulation and assists in eliminating the "birthing" effect (this is where items begin to be pushed out of the pouch because the elastic tapers at the bottom). We have also added laminate loops on the outside of each cell to allow for the attachment of retention loops or to allow you to pull the pouch open to insert items more easily. The back of the placard is fully lined with hard loop velcro for a secure fitment to your plate carrier. The LV Placard is more than just a placard. Each corner has a small loop of 1" webbing. This webbing is used to attach the included ITW Nexus hardware, turning your placard into a Nano sized chest rig. The LVP is compatible with many other accessories listed below: Bungee Retention Kit Sub Abdominal Carry Kit (SACK) Lunch Box Pouch Expander Wings Fat Straps Back Strap Skinny Straps The Hook

## Attributes

- Name: [SPIRITUS SYSTEMS PLACARD 5.56 X .45, BLACK](#)
- Manufacturer: [SPIRITUS SYSTEMS](#)
- Product no.: 430100619
- Mfr. No.: PL-556-PV-BK
- Colour: Black
- Delivery weight: 0.156kg
- Shipping height: 6mm
- Shipping width: 178mm
- Shipping length: 292mm

# **Safety Instruction Guide for PLACARD 5.56X45 SPIRITUS SYSTEMS**

## **Introduction**

Thank you for choosing the PLACARD 5.56X45 from Spiritus Systems. This guide provides essential safety information to ensure the safe use and maintenance of your product. Please read this guide carefully before using the placard.

## **General Safety Guidelines**

- Ensure the placard is used for its intended purpose only.
- Regularly inspect the product for any signs of wear or damage.
- Keep the placard away from children and vulnerable individuals unless properly supervised.
- Do not modify the placard in any way that could compromise its safety features.
- Report any unsafe conditions or incidents to the relevant authorities.

## **Specific Safety Precautions for Use**

- Check for proper attachment to your plate carrier before use.
- Do not overload the placard with equipment exceeding its design capacity.
- Ensure that all items stored in the placard are securely fastened to prevent accidental release.
- Avoid exposure to extreme temperatures, moisture, or chemicals that may degrade the materials.
- If using the placard in a tactical environment, ensure that it does not obstruct your movement or visibility.

## **Instructions for Installation and Usage**

### **1. Installation**

- Attach the placard securely to your plate carrier using the hard loop velcro on the back.
- Ensure that the attachment is snug and that the placard is stable before use.

### **2. Loading the Placard**

- Utilize the elastic cells to store magazines and other missioncritical equipment.
- Insert items gently into the elastic cells to avoid overstretching.
- Ensure that the items are seated properly within the cells to prevent them from falling out.

### **3. Using the ITW Nexus Hardware**

- Attach the included ITW Nexus hardware to the webbing loops at each corner of the placard.
- Adjust the hardware to fit securely around your torso if converting the placard into a chest rig.

### **4. Maintenance**

- Regularly clean the placard with a damp cloth to remove dirt and debris.
- Inspect the elastic for signs of wear and replace if necessary.
- Store the placard in a cool, dry place when not in use.

## **Disposal Instructions**

- Dispose of the placard in accordance with local regulations for textile and plastic waste.

- Do not incinerate the placard, as this may release harmful substances.
- If the product is damaged beyond repair, consider recycling the materials where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of your PLACARD 5.56X45, please consult the manufacturer or your retailer for assistance. Ensure you have the product details ready for a more efficient response.

Thank you for choosing Spiritus Systems. Your safety is our priority.
