

PLACARD 5.56X45 - SPIRITUS SYSTEMS PLACARD 5.56 X .45, MULTICAM

[Home](#)

The LV Placard was designed to give users superior retention of magazines and other mission critical equipment. The usage of elastic creates form fitting cells that can hold a variety different items. The stretchy nature of elastic allows it to expand to accommodate large or oddly shaped pieces of equipment. Unlike other elastic pouches on the market, we utilize webbing at the base of the system instead of sewing it completely shut. This allows for maximum flex and articulation and assists in eliminating the "birthing" effect (this is where items begin to be pushed out of the pouch because the elastic tapers at the bottom). We have also added laminate loops on the outside of each cell to allow for the attachment of retention loops or to allow you to pull the pouch open to insert items more easily. The back of the placard is fully lined with hard loop velcro for a secure fitment to your plate carrier. The LV Placard is more than just a placard. Each corner has a small loop of 1" webbing. This webbing is used to attach the included ITW Nexus hardware, turning your placard into a Nano sized chest rig. The LVP is compatible with many other accessories listed below: Bungee Retention Kit Sub Abdominal Carry Kit (SACK) Lunch Box Pouch Expander Wings Fat Straps Back Strap Skinny Straps The Hook

Safety Instruction Guide for PLACARD 5.56X45

SPIRITUS SYSTEMS

Introduction

Thank you for choosing the PLACARD 5.56X45 by Spiritus Systems. This product is designed to securely hold magazines and missioncritical equipment while providing flexibility and ease of use. Please read this safety instruction guide thoroughly to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product text.
- Regularly inspect the PLACARD for any signs of wear, damage, or malfunction.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- If you notice any defects or issues, discontinue use immediately and contact the manufacturer for support.
- Always follow local regulations and guidelines regarding the use of tactical gear and accessories.

Specific Safety Precautions for Use

- **Elastic Retention:** The elastic design allows for flexibility but may also cause items to shift. Ensure all items are securely placed before movement.
- **Webbing and Loops:** The webbing and loops are designed for attaching additional equipment. Do not overload these attachments beyond their capacity to avoid breakage.
- **Installation of Accessories:** When attaching accessories such as the Bungee Retention Kit or Sub Abdominal Carry Kit, ensure they are securely fastened to avoid detachment during use.
- **Weight Distribution:** When using the PLACARD, distribute weight evenly to maintain balance and prevent strain or injury.
- **Environmental Conditions:** Avoid exposing the product to extreme temperatures, moisture, or chemicals that may degrade the materials.

Instructions for Installation and Usage

1. Attachment to Plate Carrier:

- Ensure the back of the placard is aligned with the Velcro area of your plate carrier.
- Press firmly to secure the Velcro connection.

2. Loading Magazines and Equipment:

- Open the elastic cells by gently pulling the elastic apart.
- Insert magazines or equipment into the cells, ensuring they fit snugly.
- Close the elastic around the items to secure them in place.

3. Using the ITW Nexus Hardware:

- Attach the included ITW Nexus hardware to the webbing loops at each corner of the placard.
- Adjust the straps to your desired fit for a comfortable and secure carry.

4. Adjusting for Comfort:

- If using additional accessories, adjust the straps to ensure they do not interfere with movement.
- Check the fit regularly to maintain comfort, especially during extended wear.

Disposal Instructions

- Dispose of the PLACARD responsibly.
- If the product is damaged beyond use, consider recycling materials where possible.
- Follow local guidelines for disposal of textile and plastic materials.

Contact Information for Further Support

For safety inquiries or further assistance regarding the PLACARD 5.56X45, please refer to the manufacturer's contact details, which can typically be found on the product packaging or the manufacturer's website.

By following these guidelines, you can ensure a safe and effective experience with your PLACARD 5.56X45 by Spiritus Systems. Thank you for your attention to safety and responsible use.
