

# FANNY SACK POUCH MK3 - SPIRITUS SYSTEMS FANNY SACK POUCH MK3, MULTICAM

[Shooting Accessories](#) > [Duty Gear](#) > [Pouches](#)

The "Fanny SACK" bridges the gap between our popular Sub Abdominal Carry Kit and every day carry. Wear it for a full mission profile, or stash your carry gun in it while you're out on the long board. It was designed to make critical equipment easy to access from both sides or when in a confined space like a vehicle. The Fanny SACK can also be worn on the lower back and out of the way but quickly slid around the waist when needed. The pouch features a "half zip" design, which means that your equipment will not easily fall out of the pouch even if the zipper is left unsecured. The front of the pouch features a small zippered stash pocket that is perfect for easy access to small items. The bottom of the pouch features two elastic loops that can be adjusted to hold a tourniquet or other equipment that you may need to rapidly deploy. If bottom carry doesn't fit your mission needs, you can easily remove and reinstall the loops as necessary. Each side has a webbing loop for attaching equipment such as gloves, carabiners or chem lights. The inside features soft loop Velcro on both sides. This makes the pouch very dynamic, giving you the ability to use our Velcro Insert Suite to fit your requirements. It also features two slide-locks that make it easy to adjust the tension of the elastic loops hanging below, as well as two internal tie-down loops for securing sensitive equipment. The two grommet holes on the bottom aid with drainage of the pouch, if submersion occurs. The Fanny SACK is designed to be worn around your waist. # Fanny Sack Pouch MK3 Safety Instructions

## Introduction

Thank you for choosing the Fanny Sack Pouch MK3 by Spiritus Systems. This pouch is designed for versatile everyday carry and mission profiles. To ensure a safe and effective user experience, please read and follow the safety instructions and guidelines provided in this manual.

## General Safety Guidelines

- Ensure the pouch is used only for its intended purpose.
- Regularly inspect the pouch for signs of wear or damage before each use.
- Keep the pouch away from children and vulnerable individuals unless under adult supervision.
- Do not overload the pouch beyond its intended capacity, as this may compromise its integrity and safety.
- Be aware of your surroundings while using the pouch, especially in crowded or confined spaces.

## Specific Safety Precautions for Use

- **Zipper Security:** Always ensure the zipper is securely closed when carrying items to prevent accidental loss.
- **Elastic Loops:** When using the elastic loops, ensure they are properly adjusted to avoid snagging or entanglement.
- **Velcro Inserts:** Use only compatible Velcro inserts to avoid complications in fitting and securing your equipment.
- **Weight Distribution:** When wearing the pouch on your waist, ensure it is balanced to prevent discomfort or injury.
- **Drainage Holes:** Be cautious when submerging the pouch in water. The drainage holes are designed to aid in drainage but do not guarantee waterproofing.

## Instructions for Installation and Usage

### 1. Wearing the Pouch:

- Place the pouch around your waist, ensuring it sits comfortably on your lower back or side.
- Adjust the tension of the elastic loops using the slidelocks for a secure fit.

### 2. Storing Equipment:

- Use the half zip design to store and retrieve equipment easily.
- Place small items in the front zippered stash pocket for quick access.
- Secure larger items within the main compartment, ensuring they do not exceed the pouch's capacity.

### 3. Adjusting Elastic Loops:

- To adjust the elastic loops, slide the locks to the desired tension.
- If needed, remove and reinstall the loops to fit your specific mission requirements.

### 4. Maintenance:

- Clean the pouch with a damp cloth and mild soap as needed. Avoid harsh chemicals that may damage the material.
- Store the pouch in a cool, dry place when not in use.

## **Disposal Instructions**

- When the pouch reaches the end of its life, dispose of it responsibly.
- Check local regulations for proper disposal methods of textile products.
- Consider recycling options if available in your area.

## **Contact Information for Further Support**

For safety inquiries or additional assistance, please refer to the manufacturer's website or contact their customer service support.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your Fanny Sack Pouch MK3. Thank you for your attention to safety, and enjoy your product!
