

JSTA POUCH - SPIRITUS SYSTEMS JSTA POUCH, RANGER GREEN

[Shooting Accessories](#) > [Duty Gear](#) > [Pouches](#)

The JSTA Pouch was designed as a space saving solution for battle belts and other platforms with MOLLE mounting points. The pouch features two inline stacked compartments that allow the end user to combine their magazine holders with a GP pouch in a small form factor. The inner sleeve is lined with Velcro loop fields that will accept the following Spiritus Systems magazine inserts: 1x 5.56 Single Rifle Insert 1x 7.62 Single Rifle Insert 1x Single Pistol Insert 1x Double Pistol Insert 1x 5.56 Single Rifle Insert + 1x Single Pistol Insert The outer pouch is built with a quick-open Velcro flap, and has two compartments. The primary compartment features a Velcro loop field that will accommodate the following Spiritus Systems Utility Inserts Shotgun/CR123 Battery Insert Chemlight / AA Battery Insert 3 Loop Pouch Insert The secondary compartment can function as either as admin storage for smaller items or additional spill over from the main compartment. If the outer GP pouch is empty, the pouch is designed to lay extremely flat against the body. This reduces the pouch's snag hazard when not in use. The JSTA can either be mounted to a belt through the integrated belt loops, or with MOLLE webbing. The pouch requires 3 rows & 3 columns of MOLLE to be properly mounted and has a footprint similar to the Spiritus Systems Small GP Pouch. Outside of belt mounted configurations, the JSTA is a great alternative to a small GP for flanking a Micro Fight on the Thing 2 Chassis. It can also be mounted to an LV/119 MOLLE Cummerbund. NOTE: The JSTA pouch does not include any accessories. All Velcro inserts are sold separately.

Attributes

- Name: [SPIRITUS SYSTEMS JSTA POUCH, RANGER GREEN](#)
- Manufacturer: [SPIRITUS SYSTEMS](#)

JSTA Pouch Safety Instructions

Introduction

Thank you for choosing the JSTA Pouch by Spiritus Systems. This safety instruction guide is designed to ensure the safe use of the pouch in compliance with the EU General Product Safety Regulation (GPSR). Please read through this guide carefully before using the product.

General Safety Guidelines

- Ensure the pouch is used only for its intended purpose as described in the product specifications.
- Regularly check the pouch for any signs of wear or damage before each use.
- Keep the pouch out of reach of children to prevent accidental injury or misuse.
- Familiarize yourself with the pouch's features and components to ensure proper use.
- If you experience any issues or have concerns about the pouch's safety, discontinue use immediately and report it to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure that the pouch is securely mounted to your belt or MOLLE webbing before use.
- Do not overload the pouch beyond its intended capacity, as this may compromise its structural integrity and safety.
- Avoid exposing the pouch to extreme temperatures, moisture, or harsh chemicals that could damage the material.
- When using the pouch in active situations, be aware of your surroundings to prevent snagging on objects or equipment.
- If using the pouch in a tactical environment, ensure that all accessories are properly secured to prevent accidental loss or injury.

Instructions for Installation and Usage

• Installation:

1. Identify the belt loops or MOLLE webbing on your gear.
2. For belt mounting, slide the pouch through the integrated belt loops.
3. For MOLLE mounting, weave the MOLLE straps through the required 3 rows and 3 columns of webbing.
4. Ensure the pouch is securely attached and does not shift during movement.

• Usage:

1. Open the quickopen Velcro flap to access the compartments.
2. Insert your magazine holders or other items into the designated compartments.
3. Ensure that all items are properly secured within the pouch.
4. Close the Velcro flap securely before engaging in any activity.
5. If the outer GP pouch is empty, ensure it lays flat against your body to reduce snag hazards.

Disposal Instructions

- When the JSTA Pouch reaches the end of its life cycle or is no longer usable, dispose of it responsibly.
- Follow local regulations for the disposal of textile products.
- Consider recycling the materials if possible.

Contact Information for Further Support

For any inquiries related to safety or product concerns, please refer to the official Spiritus Systems website or contact your local retailer for assistance.

Thank you for your attention to these safety guidelines. Enjoy using your JSTA Pouch responsibly!
