

# VICKERS 2-TO-1 RED SWIVEL SLING - BLUE FORCE GEAR VICKERS PADDED 2-TO-1 RED SWIVEL SLING MULTICAM

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

While 2-point slings are ideal for most situations, there are times, like deploying from a vehicle or fighting in complex structures, when a 1-point sling has a clear advantage. Combining Blue Force Gear's new polymer Burnsed Socket and patented RED Swivel, the Vickers 221 Sling allows users to switch from 2-point to 1-point mode instantly by pulling on the RED Swivel knob and reinserting it in to the Burnsed Socket at the rear of the receiver. The instantaneous adjustability of the sling is still maintained in both 1 and 2 point modes. Constructed similar to the world's standard Vickers Combat Applications Sling™, a RED™ Swivel is sewn to the front of the sling towards the muzzle. A standard push button swivel and new molded Burnsed Socket are woven onto the rear allowing full adjustability of the sling for use with or without body armor. The 221™ Sling fits any weapon with two QD sling swivel sockets with the rear socket towards the end of the receiver. For SCARS, Sigs, HKs, or other weapon systems with eyelets at the rear of the receiver, a Universal Wire Loop with Push Button Socket can be added instead of the included push button socket. Sling Build: 1.25" sling webbing 2.00" tubular webbing with closed cell foam padding for padded models Invista solution dyed CORDURA® webbing ITW GhilleTex™ Acetal hardware - a military grade, low IR plastic RED™ Swivel Build: Machined steel, phosphated for maximum corrosion resistance Nylon coated, double crimped directly to 7 strand stainless steel aircraft cable Textured spheroid-conical shaped pull knob Stainless Steel internals

## Attributes

- Name: [BLUE FORCE GEAR VICKERS PADDED 2-TO-1 RED SWIVEL SLING MULTICAM](#)
- Manufacturer: [BLUE FORCE GEAR](#)
- Product no.: 430100704
- Mfr. No.: VCAS-2TO1-PB-200-AA-MC
- Colour: Multi-Cam
- Material: Nylon
- Style: 2-point Sling
- Width: 2"
- Delivery weight: 0.1kg
- Shipping height: 83mm
- Shipping width: 203mm
- Shipping length: 222mm
- UPC: 812114020139

# VICKERS 2TO1 RED SWIVEL SLING USER SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the Vickers 2TO1 Red Swivel Sling by Blue Force Gear. This guide provides essential safety information and instructions for the safe use of your sling. Please read this guide carefully to ensure proper handling and to maximize the safety and functionality of your product.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the sling by adhering to all guidelines provided in this document.
- **Enhanced Recalls:** Stay informed about potential recalls. Check for updates regularly.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure proper adult supervision during use.
- **EU Contact Point:** For safety inquiries, please refer to the contact information provided by your retailer.
- **Rapid Alerts:** Stay updated on any safety alerts regarding this product through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper use of the sling may lead to accidents or injury.
  - Ensure that the sling is compatible with your weapon system.
- **Avoiding Hazards:**
  - Always check the condition of the sling before each use.
  - Ensure that all components are securely attached.
  - Do not exceed the weight limit of the sling.
- **Warnings:**
  - This sling is designed for adult use only. Keep away from children.
  - Do not modify the sling or its components.
  - Use the sling only as intended and in accordance with the manufacturer's instructions.

## Instructions for Installation and Usage

- **Installation:**

1. **Identify the Sling Swivel Sockets:** Locate the two QD sling swivel sockets on your weapon.
2. **Attach the Sling:**
  - Insert the front swivel into the front socket.
  - Insert the rear swivel into the rear socket.
3. **Adjust the Length:** Use the Acetal triglides to adjust the length of the sling to your preference.

- **Usage:**

- **Switching Modes:** To switch from 2point to 1point mode:
  1. Pull the RED Swivel knob.
  2. Reinsert it into the Burnsed Socket at the rear of the receiver.
- **Adjusting for Comfort:** Ensure that the sling is adjusted properly for comfort and stability.
- **Check Security:** Before use, doublecheck that all attachments are secure and that the sling is functioning correctly.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the sling and its components responsibly. Do not dispose of in regular household waste.
- **Recycling:** Check local regulations for recycling options for nylon and plastic materials.
- **Hazardous Materials:** If the sling or components are damaged, ensure that they are disposed of in accordance with local hazardous waste regulations.

## Contact Information for Further Support

For any questions or concerns regarding the Vickers 2TO1 Red Swivel Sling, please contact your retailer or refer to the manufacturer's website for additional support and resources.

Thank you for choosing Blue Force Gear. Your safety is our priority.
