# METAL FOLDING TARGET STANDS SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the METAL FOLDING TARGET STAND by Birchwood Casey. This product is designed to provide a stable and secure platform for your shooting targets. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the target stand in a safe and controlled environment.
- Ensure that the area is clear of people and obstacles before setting up the target.
- Regularly inspect the target stand for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding shooting and target practice.
- Use the target stand only for its intended purpose.

## Specific Safety Precautions for Use

- Ensure that the target is securely attached to the wooden posts using the supplied clamps.
- Do not exceed the weight limit of the target stand.
- Avoid using the target stand in high winds or severe weather conditions.
- Keep the target area free from distractions and ensure that bystanders maintain a safe distance.
- Always wear appropriate eye and ear protection when shooting.

## Instructions for Installation and Usage

1. **Gather Required Materials:** You will need wooden posts (recommended: 1" x 2" x 6' long) to support your target.
2. **Setting Up the Target Stand:**
  - Choose a flat, stable surface for setup.
  - Insert the wooden uprights (2x4, 2x2, 1x2, or plywood) into the target stand's support bracket.
  - Ensure the uprights are held securely in place using the included eye bolt.
3. **Securing the Stand:**
  - Use the 4 stake holes to secure the stand in windy conditions. Insert stakes into the ground through these holes.
4. **Attaching the Target:**
  - Position your target at the desired height on the wooden posts.
  - Use the supplied clamps to tightly secure the target to the wooden posts.
5. **Collapsing for Storage:**
  - To fold the stand for transport or storage, simply release the support bracket and collapse the legs.

## Disposal Instructions

- Dispose of the target stand and any packaging materials in accordance with local regulations.
- Do not dispose of the product in household waste; check for recycling options in your area.
