NEOPRENE STOCK RISER SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the NEOPRENE STOCK RISER from Shooting Made Easy. This product is designed to enhance your shooting experience by improving gun fit and comfort. To ensure safe and effective use, please read this safety instruction guide carefully before using the product.

General Safety Guidelines

- Ensure the product is suitable for your firearm and shooting activities.
- Always check the product for any damage or wear before use.
- Follow all local laws and regulations regarding firearm safety and usage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for signs of wear and replace if necessary.
- Report any unsafe conditions or accidents related to the product to the relevant authorities.

Specific Safety Precautions for Use

- **Proper Fit:** Ensure the stock riser fits securely on your firearm. A loose fit may result in improper alignment and increased risk of accidents.
- **Use of Foam Inserts:** Utilize the provided foam inserts to adjust the height and fit of the stock riser according to your comfort needs. Ensure inserts are properly secured before use.
- **Sling Attachment:** When attaching a sling to the builtin swivel stud, ensure it is securely fastened to prevent accidental detachment during use.
- **Avoid Excessive Force:** Do not apply excessive force when adjusting or installing the stock riser, as this may damage the product or your firearm.
- **Shooting Position:** Maintain a stable shooting position when using the stock riser to ensure proper control of the firearm and reduce the risk of recoil-related injuries.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather all necessary components, including the stock riser and foam inserts.

2. Installation:

- Slide the neoprene stock riser onto the stock of your firearm.
- Adjust the position until it fits snugly and securely.
- Select the appropriate foam insert based on your comfort preference (1/8", 1/4", 3/8", 1/2", 5/8") and insert it into the stock riser.
- Ensure the insert is properly seated and secured.

3. Sling Attachment:

- Locate the builtin swivel stud on the stock riser.
- Attach your sling according to the manufacturer's instructions, ensuring it is securely fastened.

4. Usage:

- Once installed, test the fit and comfort of the stock riser before shooting.
- Make adjustments as necessary to ensure proper eye alignment and shooting accuracy.

Disposal Instructions

- Dispose of the product responsibly at an appropriate waste disposal facility.
- Do not incinerate the neoprene material as it may release harmful substances.
- Follow local regulations regarding the disposal of nonfood products.

Contact Information for Further Support

For any inquiries regarding safety, product usage, or concerns, please contact the relevant authorities or your local distributor.

By following these guidelines, you can ensure a safe and enjoyable experience with your NEOPRENE STOCK RISER. Thank you for prioritizing safety in your shooting activities.
