Chamber Safety Flags User Manual

Introduction

Thank you for choosing the Chamber Safety Flags by Shooting Made Easy. These flags are designed to enhance safety during the handling and storage of firearms. This manual provides essential safety instructions, guidelines for use, and information on how to safely dispose of the product. Please read this manual carefully to ensure safe and effective usage.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Use the chamber safety flag only in firearms that are compatible (semiauto pistols, rifles, or shotguns).
- Ensure the firearm is unloaded before inserting the chamber safety flag.
- Keep the chamber safety flags out of reach of children and vulnerable individuals.
- Regularly inspect the flags for wear and damage before each use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper use of the chamber safety flag may lead to accidental discharge of a firearm.
 - The flag is not a substitute for proper firearm safety practices.
- **Instructions for Avoiding Hazards:**
 - Always verify that the firearm is unloaded before inserting the chamber safety flag.
 - Do not use the flag as a tool for purposes other than indicated.
 - Ensure that the flag is fully inserted into the chamber to avoid any miscommunication regarding the firearm's status.
- **AgeSpecific Warnings:**
 - This product is not intended for use by children without adult supervision.
 - Ensure that only responsible adults handle and use the chamber safety flags.

Instructions for Installation and Usage

- **Installation:**
 1. Confirm that the firearm is unloaded.
 2. Open the action of the firearm to expose the chamber.
 3. Insert the chamber safety flag into the chamber until it is fully seated.
- **Usage:**
 - The flag indicates that the firearm is unloaded and safe for storage or training.
 - The end of the flag can be used as a nonmarring pin punch for pushing out takedown/pivot pins on an AR15/M16 or trigger pins on other guns.
 - Utilize the flat edge of the flag head for adjustments on scope windage and elevation knobs.
- **Maintenance:**

- Inspect the flags regularly for any signs of wear or damage.
- Replace any damaged flags immediately.

Disposal Instructions

- Dispose of the chamber safety flags in accordance with local regulations.
- If the flags are damaged or no longer needed, please ensure they are disposed of in a manner that prevents accidental use.

Contact Information for Further Support

For any questions or concerns regarding the Chamber Safety Flags, please refer to the manufacturer's website or customer service for assistance.

Thank you for your attention to these safety instructions. Your commitment to safe firearm handling practices is essential for the wellbeing of yourself and those around you.
