# TPOST METAL TARGET HANGER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the TPost Metal Target Hanger by Shooting Made Easy. This product is designed to safely secure your targets for shooting practice. Please read and follow these safety instructions carefully to ensure safe usage and compliance with EU safety regulations.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the target hanger for any signs of wear or damage before each use.
- Always use the target hanger in a safe shooting environment, away from people, animals, and structures.
- Follow all local laws and regulations regarding shooting and target practice.
- Keep this instruction manual for future reference.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection while shooting.
- Ensure that the area behind the target is safe and clear of any obstructions.
- Do not exceed the weight limit of the target hanger; check the specifications for maximum load capacity.
- Use only compatible steel targets with the hanger.
- Avoid using the target hanger in adverse weather conditions, such as high winds or storms.
- Never attempt to modify or alter the target hanger in any way.

## Instructions for Installation and Usage

### 1. Choosing a Location:

- Select a safe and open area for target practice.
- Ensure that the ground is stable and the target will be positioned securely.

### 2. Setting Up the Target Hanger:

- Insert the TPost Metal Target Hanger into a TPost securely.
- Ensure that the hanger is firmly attached and that it is level.
- Hang your steel target onto the hanger, ensuring it is securely fastened.

### 3. Using the Target Hanger:

- Stand at a safe distance from the target according to your shooting range guidelines.
- Always check the target area is clear before shooting.
- After use, carefully remove the target from the hanger and store it safely.

## Disposal Instructions

- Dispose of the target hanger responsibly at the end of its life cycle.
- Do not dispose of the product in regular household waste.
- Check local regulations for proper disposal methods for metal products.
