# BULLET LASER BORE SIGHTING SYSTEM SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the BULLET LASER BORE SIGHTING SYSTEM by SHOOTING MADE EASY. This product is designed to provide superior accuracy for your shooting needs. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle the product with care to avoid accidents.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of damage or wear before use.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Eye Protection:** Always wear appropriate eye protection when using this product.
- **Avoid Direct Eye Exposure:** Do not look directly into the laser beam or point it at others.
- **Safe Handling:** Handle the bore sighting system with care to prevent it from falling or being damaged.
- **Storage:** Store the product in a safe, dry place when not in use.
- **Calibration:** Ensure that the bore sight is properly calibrated before each use to maintain accuracy.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before installation.
- Insert the bore sight into the chamber of the firearm according to the manufacturer's instructions.
- Make sure it fits snugly and securely.

### 2. Usage:

- Once installed, aim the firearm at a safe target area.
- Activate the bore sight to project the laser.
- Adjust the firearm's sights according to the laser's point of impact.
- Always follow local laws and regulations regarding the use of firearms and laser devices.

### 3. PostUse:

- Remove the bore sight from the firearm after use.
- Store the bore sight in its original packaging or a safe location.

## Disposal Instructions

- Dispose of the product in accordance with local waste management regulations.
- Do not dispose of electronic components in regular household waste.
- Consider recycling options for the brass casing and other materials if available.

## **Contact Information for Further Support**

For any questions or concerns regarding the BULLET LASER BORE SIGHTING SYSTEM, please refer to the manufacturer's contact information provided in the product packaging or visit the manufacturer's website for more details.

Please ensure you adhere to these safety instructions to maximize your experience with the BULLET LASER BORE SIGHTING SYSTEM. Thank you for your attention to safety.
