# FIREMAX DIGITAL MUFF BEHIND THE NECK WALKERS GAME EAR SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the FIREMAX DIGITAL MUFF BEHIND THE NECK WALKERS GAME EAR. This product is designed to provide superior hearing protection while maintaining sound clarity. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always check the product for any signs of damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals to prevent misuse.
- Be aware of your surroundings when using the product to avoid accidents.
- Follow all local regulations regarding the use of hearing protection devices.

## Specific Safety Precautions for Use

- Use the product only for its intended purpose as a hearing protection device.
- Do not expose the product to extreme temperatures or moisture.
- Ensure that the ear cups fit snugly against your ears to maximize hearing protection.
- Do not modify or tamper with the product in any way.
- If you experience any discomfort or hearing issues while using the product, discontinue use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Charging the Device

- Connect the USBC charging cable to the charging port on the device.
- Plug the other end into a power source.
- Allow the device to charge fully before first use (approximately 200 hours of battery life when fully charged).

### 2. Adjusting the Fit

- Place the headband around the back of your neck.
- Adjust the ear cups to ensure a comfortable and secure fit.

### 3. Selecting Frequency Modes

- Use the soft touch digital buttons to choose from the four available frequency modes:
  - Universal
  - Clear Voice
  - High Frequency Boost
  - Power Boost

### 4. Using the Product

- Activate the product by pressing the power button.
- Monitor the sound levels and adjust the frequency mode as necessary for your environment.

### 5. Auto Shut Off Feature

- The device will automatically turn off after a period of inactivity to conserve battery life.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste.
- Remove the rechargeable battery if applicable and dispose of it as per local guidelines.
- Do not dispose of the product in regular household waste.

## Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe products, please contact your local EU consumer safety authority or refer to the EU's Safety Gate platform for updates on recalls and safety alerts.

Thank you for prioritizing safety while using the FIREMAX DIGITAL MUFF BEHIND THE NECK WALKERS GAME EAR. Your awareness and adherence to these guidelines help ensure a safe experience.
