

RAZOR X-TRM EARMUFFS - WALKERS GAME EAR RAZOR XRSEM EAR MUFF W/ COOLING BATTLE BROWN

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Muffs](#)

The Walker's GWP-XRSEM earmuffs offer reliable hearing protection for shooting enthusiasts. With a Noise Reduction Rating (NRR) of 21 dB, these earmuffs effectively reduce harmful noise levels while allowing you to hear essential sounds in your environment. The low-profile design ensures comfort during extended wear, and the cooling headband prevents discomfort even in warm conditions. Additionally, the GWP-XRSEM features sound-activated compression (SAC) technology, which instantly dampens loud noises to protect your ears. Whether you're at the shooting range or participating in outdoor activities, these earmuffs strike a balance between safety and situational awareness. Choose the black color option for a sleek and discreet look. FEATURES Noise Reduction Rating (NRR): 21 dB. Features a cooling headband, sound-activated compression (SAC) of 0.02 seconds, and a low-profile design. Provides effective hearing protection for shooters.

Safety Instruction Guide for RAZOR XTRM EARMUFFS

Introduction

Thank you for choosing the RAZOR XTRM Earmuffs from Walkers Game Ear. These earmuffs are designed to provide reliable hearing protection for shooting enthusiasts while allowing you to maintain awareness of your surroundings. This guide outlines important safety instructions and guidelines to ensure your safe and effective use of this product.

General Safety Guidelines

- **Product Safety:** The RAZOR XTRM Earmuffs are designed to meet safety standards for hearing protection. Ensure that you read and understand all instructions before use.
- **Enhanced Recalls:** Stay informed about any product recalls or safety notices. Check the official website or authorized retailers for updates.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety regulations. Verify product authenticity and safety certifications.
- **Special Consumer Focus:** These earmuffs are not intended for children. Keep them out of reach of minors to prevent misuse.
- **EU Contact Point:** For safety inquiries, ensure you have access to a contact point within the EU.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for any alerts related to this product.

Specific Safety Precautions for Use

- **Hearing Protection:** Always wear the earmuffs when exposed to loud noises to prevent hearing damage.
- **Comfort and Fit:** Adjust the earmuffs for a snug fit to maximize comfort and effectiveness. The cooling headband is designed to enhance comfort during prolonged use.
- **SoundActivated Compression:** Be aware that the soundactivated compression technology will dampen loud noises instantly. This feature is crucial for protecting your ears during sudden loud sounds.
- **Environmental Awareness:** While wearing earmuffs, remain aware of your surroundings. Ensure that you can hear important sounds, such as alarms or calls for assistance, when necessary.
- **Inspection:** Regularly inspect the earmuffs for any signs of damage or wear. Do not use if any part is broken or compromised.

Instructions for Installation and Usage

- **Fitting the Earmuffs:**
 1. Hold the earmuffs by the headband.
 2. Place the earmuffs over your ears, ensuring that they cover your entire ear.
 3. Adjust the headband for a comfortable fit. Ensure it is snug but not overly tight.
- **Using the Earmuffs:**
 - Wear the earmuffs whenever you are in a loud environment, such as a shooting range or during outdoor activities with high noise levels.
 - Ensure that the earmuffs are fully engaged over your ears for optimal noise reduction.
 - If you experience discomfort, remove the earmuffs and adjust the fit or take a break before reapplying.
- **Storage:**

- Store the earmuffs in a cool, dry place when not in use.
- Avoid exposing the earmuffs to extreme temperatures or moisture, as this may affect their performance.

Disposal Instructions

- Dispose of the earmuffs in accordance with local regulations. Do not throw them away with regular household waste.
- If the earmuffs are damaged beyond repair, consider recycling them if possible. Check with local recycling facilities for appropriate disposal methods.

Contact Information for Further Support

For further assistance, please refer to the manufacturer's website or authorized retailers for support and inquiries regarding the RAZOR XTRM Earmuffs.

By following these guidelines, you can ensure your safety and enhance your experience with the RAZOR XTRM Earmuffs. Enjoy your shooting activities responsibly and safely!
