

RAZOR TACTI-GRIP MUFFS - WALKERS GAME EAR RAZOR TACTI-GRIP MUFF FDE WITH FDE HEADBAND

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Muffs](#)

The Walker's Razor Slim Low Profile Electronic Earmuffs feature a Noise Reduction Rating (NRR) of 21 dB, and utilized sound activated compression (SAC) of 0.02 seconds. SAC is a special electronic circuitry that will compress gun shots and other loud noises down to a safe level, without completely shutting the noise off. This allows you to hear range commands or communicate with your hunting partners, even when shots are being fired around you. Your hearing cannot be replaced, so make sure you pick up a set of Walker's Razor Electronic Earmuffs for your next trip to the woods or range. Walker's RAZOR -"TACTI-GRIP" high performance silicone composite headband ensures a slip free, secure fit. Omnidirectional Microphones Low noise/Frequency tuned for natural sound clarify Full dynamic range HD Speakers for clear balanced sound Sound activated compression Sound dampening composite housing 3.5mm audio jack

Safety Instruction Guide for Walker's Razor TactiGrip Muff

Introduction

Thank you for choosing the Walker's Razor TactiGrip Muff. These electronic earmuffs are designed to provide hearing protection while allowing you to communicate effectively in noisy environments. This guide contains important safety information and instructions for proper use and maintenance of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe use of the Walker's Razor TactiGrip Muff by following these guidelines:
 - Always inspect the earmuffs before use for any signs of damage.
 - Use the earmuffs only for their intended purpose, which is to provide hearing protection in loud environments.
 - Keep the earmuffs away from moisture and extreme temperatures to maintain their effectiveness.
 - Store the earmuffs in a cool, dry place when not in use.
 - Avoid using the earmuffs in environments where they may become entangled with machinery or other hazards.
 - Regularly check for any updates or recalls related to the product on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- When using the Walker's Razor TactiGrip Muff, please observe the following precautions:
 - Do not modify or attempt to repair the earmuffs yourself.
 - Ensure a proper fit by adjusting the headband to secure the earmuffs comfortably over your ears.
 - Avoid exposing the earmuffs to loud sounds for extended periods, as this may compromise their effectiveness.
 - Be aware that while the earmuffs provide noise reduction, they do not eliminate all sounds. Always remain alert to your surroundings.
 - Use the earmuffs in conjunction with other safety equipment as required for your specific activity.

Instructions for Installation and Usage

- Follow these steps to properly use the Walker's Razor TactiGrip Muff:
 1. **Unboxing:** Carefully remove the earmuffs from the packaging and check for all components.
 2. **Adjusting the Headband:**
 - Hold the earmuffs in both hands.
 - Adjust the headband by sliding it up or down to fit your head comfortably.
 3. **Positioning the Earmuffs:**
 - Place the earmuffs over your ears, ensuring a snug fit.
 - Check that the earmuffs create a seal around your ears to maximize noise reduction.
 4. **Using the Audio Jack:**
 - If desired, connect an audio device using the 3.5mm audio jack for additional functionality.
 5. **Activating the Earmuffs:**
 - Turn on the earmuffs as per the manufacturer's instructions to enable soundactivated compression.
 6. **Testing the Fit:**
 - Speak or make sounds to ensure that the earmuffs are functioning correctly and that you can hear clearly at safe levels.

Disposal Instructions

- When it comes time to dispose of the Walker's Razor TactiGrip Muff:
 - Do not dispose of the earmuffs in regular household waste.
 - Check local regulations for electronic waste disposal.
 - Consider recycling options for the earmuffs if available in your area.

Contact Information for Further Support

- For any questions or further support regarding the use of the Walker's Razor TactiGrip Muff, please refer to the product packaging or visit the manufacturer's website for contact details.

By following these safety instructions, you can ensure a safe and effective experience while using the Walker's Razor TactiGrip Muff. Your hearing is invaluable; protect it wisely.
