

# RAZOR TACTI-GRIP MUFFS - WALKERS GAME EAR RAZOR TACTI-GRIP MUFF BATTLESHIP GRAY

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Muffs](#)

The Walker's Razor Slim Low Profile Electronic Earmuffs feature a Noise Reduction Rating (NRR) of 21 dB, and utilized sound activated compression (SAC) of 0.02 seconds. SAC is a special electronic circuitry that will compress gun shots and other loud noises down to a safe level, without completely shutting the noise off. This allows you to hear range commands or communicate with your hunting partners, even when shots are being fired around you. Your hearing cannot be replaced, so make sure you pick up a set of Walker's Razor Electronic Earmuffs for your next trip to the woods or range. Walker's RAZOR -"TACTI-GRIP" high performance silicone composite headband ensures a slip free, secure fit. Omnidirectional Microphones Low noise/Frequency tuned for natural sound clarify Full dynamic range HD Speakers for clear balanced sound Sound activated compression Sound dampening composite housing 3.5mm audio jack

# RAZOR TACTIGRIP MUFFS WALKERS GAME EAR Safety Instruction Guide

## Introduction

Thank you for choosing the Walker's Razor TactiGrip Muffs. These electronic earmuffs are designed to enhance your hearing while providing protection against loud noises, such as gunshots. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Product Safety:** Ensure safe use of the earmuffs by following all instructions and warnings provided.
- Enhanced Recalls:** Stay informed about product recalls and safety notices. Check the EU's Safety Gate platform for updates.
- Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements similar to those of physical stores.
- Special Consumer Focus:** Extra care should be taken when using these earmuffs around vulnerable groups, such as children.
- EU Contact Point:** For any safety inquiries, ensure you have access to an EU-based contact.
- Rapid Alerts:** Be aware of the Safety Gate system for quick updates on unsafe products.

## Specific Safety Precautions for Use

- Hearing Protection:** Always wear the earmuffs when exposed to loud noises to protect your hearing.
- Check Before Use:** Inspect the earmuffs for any visible damage or wear before each use. Do not use if damaged.
- Proper Fit:** Ensure that the earmuffs fit securely and comfortably on your head to maximize noise reduction.
- Avoid Moisture:** Keep the earmuffs dry and avoid exposure to excessive moisture, which may affect performance.
- Limit Use Time:** Prolonged exposure to loud noises, even with protection, should be limited. Take breaks as needed.
- Children's Use:** Ensure that children are supervised when using the earmuffs and that they are fitted correctly.

## Instructions for Installation and Usage

### 1. Unboxing:

- Carefully remove the earmuffs from the packaging.
- Inspect the product for any signs of damage.

### 2. Fitting the Earmuffs:

- Adjust the headband to ensure a snug and comfortable fit.
- Position the earmuffs over your ears, ensuring a complete seal around the ear.

### 3. Powering On:

- Turn on the earmuffs using the power switch, typically located on the side.
- Ensure that the battery is installed correctly and is fully charged.

#### **4. Using the Audio Jack:**

- Connect your audio device to the 3.5mm audio jack if you wish to listen to music or communicate.
- Ensure the volume is at a safe level to avoid hearing damage.

#### **5. Sound Activation:**

- The earmuffs feature soundactivated compression (SAC). Be aware that loud noises will be compressed to a safe level without completely blocking out sound.

#### **6. Communication:**

- Use the earmuffs to hear range commands or communicate with others while maintaining hearing protection.

#### **7. Powering Off:**

- Turn off the earmuffs when not in use to conserve battery life.

## **Disposal Instructions**

- **End of Life:** When the earmuffs reach the end of their life, dispose of them in accordance with local regulations for electronic waste.
- **Battery Disposal:** Remove batteries and dispose of them separately according to local battery recycling guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the Walker's Razor TactiGrip Muffs, please refer to the product packaging or the retailer from whom you purchased the product for assistance.

By following these safety instructions, you can ensure the safe and effective use of your Walker's Razor TactiGrip Muffs. Thank you for prioritizing your hearing protection and safety.
