ULTRA EAR BTE WALKERS GAME EAR Safety Instruction Guide

Introduction

Thank you for choosing the ULTRA EAR BTE WALKERS GAME EAR. This hearing enhancement device is designed to improve your auditory experience in various environments. To ensure safe and effective use of this product, please read the following safety instructions carefully.

General Safety Guidelines

- **Product Safety:** Always ensure that the device is used as intended and follow all provided instructions.
- **Enhanced Recalls:** Stay informed about any product recalls by checking the EU Safety Gate platform regularly.
- **Online Shopping:** If purchased online, verify that the seller complies with safety regulations.
- **Special Consumer Focus:** This product is not recommended for children under the age of 12 without adult supervision.
- **EU Contact Point:** For any safety inquiries, please refer to the manufacturer's contact information provided with the product.
- **Rapid Alerts:** Be aware of updates regarding unsafe products through the Safety Gate system.

Specific Safety Precautions for Use

- **Hearing Protection:** The device amplifies sounds, which may include loud noises. Always monitor your environment to avoid exposure to harmful sound levels.
- **Battery Safety:** Use only the specified #LR41 battery. Improper batteries may cause damage or malfunction.
- **Moisture Exposure:** Keep the device away from moisture to prevent damage. Do not use in wet conditions.
- **Physical Condition:** If you have any medical conditions affecting your hearing, consult a healthcare professional before use.
- **Regular Maintenance:** Check the device regularly for any signs of wear or damage. Do not use if damaged.

Instructions for Installation and Usage

1. Inserting the Device:

- Ensure the device is turned off before inserting it into your ear.
- Choose the appropriate ear (left or right) and gently place the device behind the ear.
- Adjust the fit for comfort.

2. Powering On/Off:

- To turn on, slide the On/Off switch to the "On" position.
- To turn off, slide the switch to the "Off" position.

3. Adjusting Volume and Tone:

- Use the volume control to adjust the sound level to your preference.
- Modify the tone settings as needed for optimal hearing.

4. Using the Compression Circuit:

- The device has a builtin mild compression circuit to help muffle loud noises.
- This feature is particularly useful in environments with sudden loud sounds like gunfire.

5. **Battery Replacement:**

- When the sound quality diminishes, replace the #LR41 battery.
- Open the battery compartment, remove the old battery, and insert a new one, ensuring correct polarity.

Disposal Instructions

- **Battery Disposal:** Dispose of used batteries according to local regulations to prevent environmental contamination.
- **Device Disposal:** When the device reaches the end of its life, dispose of it as electronic waste in accordance with local guidelines.
