# **Safety Instruction Guide for ULTRA EAR BTE WALKERS GAME EAR ULTRA EAR BTE BEIGE SINGLE**

## **Introduction**

Thank you for choosing the Ultra Ear hearing enhancement device. This guide provides important safety information, usage instructions, and disposal guidelines to ensure your safety and satisfaction while using this product. Please read this guide carefully before use.

## **General Safety Guidelines**

- Ensure that the product is used only for its intended purpose as a hearing amplification device.
- Keep the device out of reach of children and vulnerable individuals to prevent misuse and accidents.
- Regularly check the product for any signs of damage or wear. Do not use if damaged.
- If you experience discomfort or adverse effects while using the device, discontinue use immediately and consult a healthcare professional.
- Report any unsafe products or accidents to the appropriate authorities.

## **Specific Safety Precautions for Use**

- Do not expose the device to extreme temperatures, moisture, or direct sunlight.
- Avoid using the device in environments with loud noises that exceed the dB Limiting threshold of 105dB.
- Use the On/Off switch to turn off the device when not in use to prolong battery life and prevent unwanted amplification.
- Be aware of your surroundings when using the device, especially in potentially hazardous environments.
- If you are prone to ear infections or have a history of earrelated issues, consult a healthcare professional before use.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Remove the device from its packaging and ensure all components are present.
- Insert the #LR41 battery into the device, ensuring the correct polarity is observed.
- Adjust the device to fit comfortably behind your ear.

### **2. Usage:**

- Turn on the device using the On/Off switch.
- Adjust the tone and volume settings to your preference for optimum hearing.
- Test the device in a quiet environment before using it in more challenging acoustic settings.
- If the device begins to emit any unusual sounds or if you notice a decrease in performance, turn it off and replace the battery.

## **Disposal Instructions**

- Dispose of the device and its components according to local regulations for electronic waste.
- Remove the battery before disposal and recycle it at designated battery recycling locations.
- Do not dispose of the device in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the Ultra Ear hearing enhancement device, please contact the manufacturer or refer to the product packaging for additional support information.

Thank you for following these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your experience with the Ultra Ear hearing enhancement device!
