

SSA-E X 2-STAGE TRIGGER WITH LIGHTNING BOW® FOR AR-15 - GEISSELE AUTOMATICS SSA-E X 2-STAGE TRIGGER W/LIGHTNING BOW FOR AR-15

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

The SSA-E X™ with Lightning Bow® trigger delivers the ultimate in trigger control, with a semi-curved, wide-body profile that combines the best features of the standard curved AR trigger and the popular flat-bow design. The SSA-E X™ features our Nanoweapon coating on the major components, which dramatically enhance wear and corrosion resistance and keep the trigger running smoothly even with minimal lubrication. The SSA-E X™ trigger delivers a smooth, light first stage take-up and a crisp, icicle-like second stage break. The SSA-E X™ is ideal for use in precision Designated Marksman type rifles where both accuracy and reliability are critical and compromise isn't an option. SPECS PLATFORM: AR15/AR10 TYPE: 2 Stage 1st STAGE WEIGHT RANGE: 2.0 - 2.5 lbs. 2nd STAGE WEIGHT RANGE: 0.9 - 1.3 lbs. TOTAL PULL WEIGHT RANGE: 2.9 - 3.8 lbs. ADJUSTABLE: No TRIGGER BOW TYPE: Lightning Bow® PIN SIZE: Mil-Spec NOTE: Geissele triggers are designed for mil-spec AR15/M4 carbine rifles. Geissele AR15 triggers are not compatible with the Sig MPX/MCX weapons or Pistol Caliber Carbine AR15/M4 variants. Using them in these platforms will void the warranty.

SSAE X 2Stage Trigger Safety Instruction Guide

Introduction

Thank you for choosing the SSAE X 2Stage Trigger with Lightning Bow for your AR15. This product is designed to enhance your shooting experience with improved trigger control and reliability. However, it is important to use this product safely and responsibly. This guide provides essential safety instructions and guidelines to ensure the safe use of your trigger.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure the trigger is installed correctly before use.
- Regularly inspect the trigger for wear and damage.
- Store your firearm and trigger in a secure location, out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- Ensure that the firearm is pointed in a safe direction at all times.
- Do not place your finger on the trigger until you are ready to shoot.
- Avoid using the trigger in wet or muddy conditions to prevent corrosion.
- Do not modify or alter the trigger in any way, as this can affect its performance and safety.
- If you experience any malfunction or unusual behavior, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger from the firearm according to the manufacturer's instructions.
- Install the SSAE X trigger by following these steps:
 - Align the trigger with the trigger pin holes.
 - Insert the trigger pin securely.
 - Ensure the trigger moves freely without obstruction.
- Reassemble the firearm and check for proper function.

2. Usage:

- Familiarize yourself with the trigger's operation before using it in a livefire situation.
- Practice dry firing in a safe environment to get accustomed to the trigger's feel.
- When ready to shoot, load the firearm and ensure it is aimed at the target.
- Apply a smooth, steady pressure on the trigger to achieve an accurate shot.

Disposal Instructions

- Dispose of the trigger in accordance with local regulations.
- If the trigger is damaged or no longer functional, do not attempt to repair it. Instead, dispose of it responsibly.
- For environmental safety, consider recycling components where applicable.

Contact Information for Further Support

For any inquiries or concerns regarding the SSAE X 2Stage Trigger, please refer to your retailer or the manufacturer for assistance. Always keep this guide for future reference to ensure safe usage of your product.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your SSAE X 2Stage Trigger. Always prioritize safety and responsibility when handling firearms. Thank you for your commitment to safe shooting practices.
