

CCS POUCH - SPIRITUS SYSTEMS CCS POUCH - BLACK

[Home](#)

The Spiritus Systems CCS Pouch is a purpose-build companion pouch for the MkV Chassis (purchase [here](#)). It is designed to cover the entire front of the chassis give the system a large volume of general-purpose storage. The Pouch is divided into two sections, with a strip of loop Velcro on the outside of the pouch for affixing identification and other patches. The rear interior section features two tie-down loops that are easily accessible from the top of the pouch opening and will accept the full range of Spiritus Systems utility inserts, including the padded GP insert. The front pocket is angled to ensure the pouch lays flat against the body when not in use, and will hold a wide range of phones, identification, tools and other utility equipment. The pouch is constructed out of high quality 500D Cordura nylon and both pocket sections are fully enclosed and secured with double zippers to keep small items contained. The MOLLE mounting systems consumes 6 columns and will fit flush when mounted to the chassis. It will also cover the entire front surface area of the MkV placard and helps the end user maintain full color matching capabilities with the rest of their kit.

Safety Instruction Guide for CCS Pouch Spiritus Systems

Introduction

Thank you for choosing the CCS Pouch from Spiritus Systems. This guide provides essential safety information and instructions for the proper use of your pouch. Please read this guide carefully to ensure safe and effective operation.

General Safety Guidelines

- Ensure the pouch is used only for its intended purpose as a companion pouch for the MkV Chassis.
- Regularly inspect the pouch for signs of wear or damage. Do not use if damaged.
- Keep the pouch away from extreme heat sources, sharp objects, and corrosive materials.
- Store the pouch in a cool, dry place when not in use to prevent deterioration of materials.
- Follow all local laws and regulations regarding the use of tactical gear and accessories.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Small parts may pose a choking hazard if the pouch is used improperly.
- The pouch may not provide adequate protection against extreme environmental conditions.

- **Avoiding Hazards:**

- Do not overload the pouch beyond its intended capacity to prevent tearing or damage.
- Ensure that all zippers are fully closed before transporting to avoid losing contents.
- Use the tiedown loops correctly to secure the pouch to the chassis and prevent it from detaching during use.

- **AgeSpecific Warnings:**

- This product is not intended for children. Keep it out of reach of minors.
- Adults should supervise the use of this pouch in environments where children are present.

Instructions for Installation and Usage

- **Installation:**

1. Align the CCS Pouch with the MkV Chassis.
2. Attach the pouch using the MOLLE mounting system, ensuring it fits flush against the chassis.
3. Secure the pouch by threading the straps through the MOLLE webbing.
4. Confirm that the pouch is firmly attached and will not detach during use.

- **Usage:**

- Utilize the front pocket for storing items such as phones, identification, and tools.
- Use the rear interior section for additional storage with Spiritus Systems utility inserts.
- Ensure that the pouch lays flat against the body when not in use for comfort and accessibility.

Disposal Instructions

- Dispose of the pouch in accordance with local waste management regulations.
- If the pouch is damaged beyond repair, consider recycling materials where possible.
- Do not burn the pouch, as it may release harmful fumes.

Contact Information for Further Support

For safety inquiries or additional support, please refer to your local Spiritus Systems representative or authorized dealer. Always ensure you are receiving information from a verified source to maintain safety compliance.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy using your CCS Pouch!
