

# CCS POUCH - SPIRITUS SYSTEMS CCS POUCH - MULTICAM ARID

[Home](#)

The Spiritus Systems CCS Pouch is a purpose-build companion pouch for the MkV Chassis (purchase here). It is designed to cover the entire front of the chassis give the system a large volume of general-purpose storage. The Pouch is divided into two sections, with a strip of loop Velcro on the outside of the pouch for affixing identification and other patches. The rear interior section features two tie-down loops that are easily accessible from the top of the pouch opening and will accept the full range of Spiritus Systems utility inserts, including the padded GP insert. The front pocket is angled to ensure the pouch lays flat against the body when not in use, and will hold a wide range of phones, identification, tools and other utility equipment. The pouch is constructed out of high quality 500D Cordura nylon and both pocket sections are fully enclosed and secured with double zippers to keep small items contained. The MOLLE mounting systems consumes 6 columns and will fit flush when mounted to the chassis. It will also cover the entire front surface area of the MkV placard and helps the end user maintain full color matching capabilities with the rest of their kit.

# Safety Instruction Guide for CCS Pouch Spiritus Systems

## Introduction

Thank you for purchasing the CCS Pouch from Spiritus Systems. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the CCS Pouch. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the CCS Pouch is used only for its intended purpose as a companion pouch for the MkV Chassis.
- Regularly inspect the pouch for wear and tear or any signs of damage. Do not use if damaged.
- Keep the pouch away from extreme heat sources, sharp objects, or any conditions that may compromise its integrity.
- Store the pouch in a dry place to prevent mold and deterioration of materials.
- Avoid overloading the pouch to maintain its shape and functionality.

## Specific Safety Precautions for Use

- Use the Velcro strips on the outside of the pouch to securely attach identification and patches. Ensure they are firmly affixed to prevent detachment during use.
- When utilizing the tiedown loops in the rear interior section, ensure that items are securely fastened to avoid accidental loss or injury.
- Be cautious when accessing items from the pouch to avoid pinching or injury from zippers.
- Ensure that the front pocket is properly closed when carrying items to prevent them from falling out.
- If using the pouch in outdoor settings, be aware of environmental hazards such as water, mud, or debris that may affect the pouch's performance.

## Instructions for Installation and Usage

### 1. Installation on MkV Chassis:

- Align the CCS Pouch with the designated mounting area on the MkV Chassis.
- Secure the pouch using the MOLLE mounting system, ensuring it consumes 6 columns for a flush fit.
- Verify that the pouch is securely attached by gently pulling on it to check for stability.

### 2. Usage:

- Open the pouch using the double zippers, and access the interior sections as needed.
- Place items in the appropriate sections, ensuring they are organized and not overstuffed.
- When finished using the pouch, close all zippers securely to protect contents.

## Disposal Instructions

- The CCS Pouch is made from 500D Cordura nylon, which is not biodegradable.
- When disposing of the pouch, consider recycling options for synthetic materials if available in your area.
- If recycling is not an option, dispose of the pouch in accordance with local waste management regulations.

## **Contact Information for Further Support**

For any safety inquiries or product support, please reach out to the designated EU contact point associated with this product. Ensure to keep all purchase information at hand for reference.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure the safe and effective use of your CCS Pouch from Spiritus Systems. Always prioritize safety and proper usage to enhance your experience with the product. Thank you for your attention to these important guidelines.
