

# CCS POUCH - SPIRITUS SYSTEMS CCS POUCH - MULTICAM

[Home](#)

The Spiritus Systems CCS Pouch is a purpose-build companion pouch for the MkV Chassis (purchase here). It is designed to cover the entire front of the chassis give the system a large volume of general-purpose storage. The Pouch is divided into two sections, with a strip of loop Velcro on the outside of the pouch for affixing identification and other patches. The rear interior section features two tie-down loops that are easily accessible from the top of the pouch opening and will accept the full range of Spiritus Systems utility inserts, including the padded GP insert. The front pocket is angled to ensure the pouch lays flat against the body when not in use, and will hold a wide range of phones, identification, tools and other utility equipment. The pouch is constructed out of high quality 500D Cordura nylon and both pocket sections are fully enclosed and secured with double zippers to keep small items contained. The MOLLE mounting systems consumes 6 columns and will fit flush when mounted to the chassis. It will also cover the entire front surface area of the MkV placard and helps the end user maintain full color matching capabilities with the rest of their kit.

# Safety Instruction Guide for CCS Pouch Spiritus Systems

## Introduction

Thank you for choosing the CCS Pouch by Spiritus Systems. This pouch is designed to provide a large volume of generalpurpose storage while ensuring safety during use. This guide outlines important safety information, usage instructions, and disposal guidelines to help you use the product effectively and safely.

## General Safety Guidelines

- Ensure that the pouch is used only for its intended purpose.
- Regularly inspect the pouch for any signs of wear or damage.
- Keep the pouch away from sharp objects that may cause punctures.
- Store the pouch in a cool, dry place when not in use.
- Avoid overloading the pouch with excessive weight, as this may compromise its integrity.

## Specific Safety Precautions for Use

- When attaching the pouch to the MkV Chassis, ensure that it is securely fastened to prevent accidental detachment during use.
- Be cautious when accessing items stored in the pouch to avoid injury from sharp tools or equipment.
- The pouch's Velcro closure should be kept clean and free from debris to ensure proper function.
- Do not use the pouch if any part of it is damaged or compromised.
- Keep the pouch out of reach of children to prevent potential accidents.

## Instructions for Installation and Usage

### 1. Installation

- Locate the attachment points on the MkV Chassis.
- Align the MOLLE mounting system of the pouch with the chassis.
- Slide the pouch into place, ensuring it consumes 6 columns of the chassis.
- Confirm that the pouch is flush against the chassis and securely mounted.

### 2. Usage

- Open the pouch by unzipping the double zippers.
- Utilize the rear interior section for storage of Spiritus Systems utility inserts.
- Place items in the front pocket, ensuring they are angled for a flat fit against the body.
- Regularly check that all items are stored securely to prevent them from falling out during movement.

## Disposal Instructions

- Dispose of the pouch in accordance with local waste management regulations.
- If the pouch is damaged or no longer usable, consider recycling the materials if possible.
- Do not burn the pouch, as this may release harmful substances.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the CCS Pouch, please refer to the manufacturer's website or

customer service resources. Ensure you have the product details ready for assistance.

By following these guidelines, you can ensure a safe and effective experience with your CCS Pouch from Spiritus Systems. Thank you for your attention to safety.
