

# CCS POUCH - SPIRITUS SYSTEMS CCS POUCH - WOLF GREY

[Home](#)

The Spiritus Systems CCS Pouch is a purpose-build companion pouch for the MkV Chassis (purchase [here](#)). It is designed to cover the entire front of the chassis give the system a large volume of general-purpose storage. The Pouch is divided into two sections, with a strip of loop Velcro on the outside of the pouch for affixing identification and other patches. The rear interior section features two tie-down loops that are easily accessible from the top of the pouch opening and will accept the full range of Spiritus Systems utility inserts, including the padded GP insert. The front pocket is angled to ensure the pouch lays flat against the body when not in use, and will hold a wide range of phones, identification, tools and other utility equipment. The pouch is constructed out of high quality 500D Cordura nylon and both pocket sections are fully enclosed and secured with double zippers to keep small items contained. The MOLLE mounting systems consumes 6 columns and will fit flush when mounted to the chassis. It will also cover the entire front surface area of the MkV placard and helps the end user maintain full color matching capabilities with the rest of their kit.

# Safety Instruction Guide for the CCS Pouch Spiritus Systems

## Introduction

Thank you for choosing the CCS Pouch by Spiritus Systems. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your pouch. Please read this document carefully before use to understand how to operate the product safely and effectively.

## General Safety Guidelines

- Always inspect the pouch before use for any signs of damage or wear.
- Ensure that the pouch is securely attached to the MkV Chassis before carrying any items.
- Avoid overloading the pouch beyond its intended capacity to prevent damage.
- Keep the pouch away from sharp objects that could cause tears or punctures.
- Store the pouch in a cool, dry place away from direct sunlight when not in use.
- Follow all local regulations regarding the use and transport of tactical gear.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is not designed for use by children. Keep out of reach of minors.
- **Identification and Patches:** Ensure that any patches or identification affixed to the Velcro strip do not obstruct visibility or functionality.
- **TieDown Loops:** Use the tiedown loops as intended to secure inserts. Do not use them for purposes other than their intended function.
- **Zippers:** Be cautious when using the zippers to avoid pinching fingers or causing damage to the pouch.
- **MOLLE System:** Ensure that the MOLLE mounting system is properly secured to prevent accidental detachment during use.

## Instructions for Installation and Usage

### 1. Installation on MkV Chassis:

- Align the pouch with the MOLLE mounting system on the MkV Chassis.
- Thread the attachment straps through the appropriate columns of the MOLLE webbing.
- Pull the straps tight to secure the pouch in place.
- Check that the pouch fits flush against the chassis and does not move.

### 2. Using the Pouch:

- Open the zippers to access the interior sections of the pouch.
- Place items into the designated sections, ensuring they fit securely.
- Close the zippers fully to protect contents from falling out.
- Use the front pocket for quick access to items like phones or tools.

### 3. Maintenance:

- Clean the pouch with a damp cloth and mild soap if necessary. Avoid harsh chemicals.
- Check the stitching and zippers regularly for signs of wear.
- Replace the pouch if any significant damage is found.

## **Disposal Instructions**

- Dispose of the pouch in accordance with local regulations for textile waste.
- If the pouch is damaged beyond repair, consider recycling materials where applicable.
- Do not burn the pouch as it may release harmful substances.
