

# AR-15 GAMMA 556 BRAKES 5.56 - AERO PRECISION GAMMA 556 MUZZLE BRAKE 5.56 1/2-28 BLACK

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

The VG6 GAMMA 556 is a high-performance muzzle brake for eliminating recoil. It was designed using state of the art engineering techniques, utilizing CFD (Computational Fluid Dynamics) and CAE (Computer Aided Engineering). This product is 100% CNC machined for optimal performance. The GAMMA 556 is a muzzle brake and compensator hybrid that virtually eliminates recoil and muzzle movement during firing. The unique combination of both muzzle brake and compensator functionality inspires shooter confidence and allows for quicker follow up shots. The GAMMA 556 is optimized to efficiently utilize gas from the muzzle on 10.5-18.5" barrel lengths making it a perfect addition to almost any build. Updated chamber design features improved gas flow and rigidity. By leveraging modern design principles both functionally and aesthetically, They continue to keep the VG6 product family at the cutting edge of muzzle device performance.

## Attributes

- Name: [AERO PRECISION GAMMA 556 MUZZLE BRAKE 5.56 1/2-28 BLACK](#)
- Manufacturer: [AERO PRECISION](#)
- Product no.: 430101227
- Mfr. No.: APVG200001A
- Caliber: 22 Caliber (.223-.224)
- Finish: Black Nitride
- Material: -
- Threads: 1/2-28
- Delivery weight: 0.122kg
- Shipping height: 51mm
- Shipping width: 51mm
- Shipping length: 127mm
- UPC: 815421029963

# Safety Instruction Guide for AR15 GAMMA 556 Muzzle Brake

## Introduction

Thank you for choosing the AR15 GAMMA 556 Muzzle Brake. This product is designed to enhance your shooting experience by reducing recoil and muzzle movement. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used according to the manufacturer's instructions.
- Always treat firearms and related accessories with respect and caution.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the muzzle brake for any signs of damage or wear.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure the firearm is unloaded before installing or removing the muzzle brake.
- Use only the recommended caliber (.223.224) with this muzzle brake.
- Verify that the threads (1/228) are compatible with your firearm before installation.
- Avoid using the product in conditions where it may be subjected to extreme temperatures or environmental factors that could affect performance.
- Do not modify the muzzle brake in any way, as this may compromise safety and performance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Clean the muzzle of the firearm to remove any debris or residue.
- Align the muzzle brake with the threads of the firearm.
- Carefully screw the muzzle brake onto the barrel, ensuring it is securely fastened.
- Use a torque wrench to tighten to the manufacturer's specifications, if applicable.

### 2. Usage:

- Always check the firearm's chamber to ensure it is unloaded before handling.
- Load the firearm only when ready to shoot.
- Maintain a safe shooting stance and ensure your surroundings are clear of obstructions and bystanders.
- After firing, inspect the muzzle brake for any signs of damage or excessive wear.
- If any issues are detected, discontinue use and consult a qualified gunsmith.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the muzzle brake in regular household waste.
- Contact local recycling centers or hazardous waste facilities for proper disposal options.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please refer to the manufacturer's contact details provided with the product packaging.

By following these guidelines, you can ensure the safe and effective use of your AR15 GAMMA 556 Muzzle Brake. Thank you for your attention to safety.
