# Safety Instruction Guide for the Springfield Hellcat Extended Mag Release

## Introduction

Thank you for choosing the Apex Tactical Specialties Extended Mag Release for the Springfield Hellcat. This guide provides essential safety instructions and installation procedures to ensure safe and effective use of your product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the firearm is unloaded before installing or handling the magazine release.
- Always keep the firearm pointed in a safe direction.
- Store the product in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the mag release for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm modifications and accessories.

## Specific Safety Precautions for Use

- Do not attempt to modify or alter the mag release beyond its intended use.
- Ensure that the magazine is properly seated before attempting to use the mag release.
- Use only compatible magazines with the Springfield Hellcat to avoid malfunctions.
- If you experience any issues with the mag release, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a small screwdriver.

### 2. Installation Steps

- Remove the factory magazine release by pressing the release button and sliding it out of the frame.
- Insert the Apex Extended Mag Release into the same slot, ensuring it is oriented correctly.
- Press the release into place until it clicks securely.
- If you are a lefthanded shooter, reverse the orientation of the mag release as per your preference.
- Replace the magazine release spring provided with the new mag release if necessary.

### 3. Usage

- To release the magazine, press the extended and serrated face of the mag release.
- Practice using the mag release to familiarize yourself with its operation.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer in use, consider recycling the materials where possible.
