

COMPETITION ACTION ENHANCEMENT KIT FOR RUGER MKIV/MKIV 22/45 - COMPETITION ACTION ENHANCEMENT KIT RUGER MKIV/MKIV 22/45 BLK

[Handgun Parts](#) > [Trigger Group Parts](#) > [Performance Enhancing Kits](#)

Apex Action Enhancement Kit: The Apex Action Enhancement Kit replaces the factory trigger and hammer and is designed to reduce the trigger pull weight by approximately 45% to around 3.0 lbs. The kit delivers a crisp trigger break while reducing the trigger's over-travel by over 80% and overall trigger travel 25%. Also included in the kit is a safety plate to maintain factory safety values, and a steel magazine safety delete which, when installed, allows the pistol to fire without the magazine inserted (recommended for competition use only). Expected Results: Reduces trigger pull to approx. 3.0 lbs. Reduces trigger over-travel approx. 80% and overall travel approx. 25% Delivers crisp trigger break Maintains factory safety values Applicable To What Guns: Works with the Ruger Mk IV model pistols including Mk IV 22/45

Safety Instruction Guide for Apex Action Enhancement Kit for Ruger MKIV/MKIV 22/45

Introduction

Thank you for choosing the Apex Action Enhancement Kit for your Ruger MKIV/MKIV 22/45. This kit is designed to enhance the performance of your firearm while ensuring safety during use. It is essential to read and understand this safety instruction guide before installation and use to ensure a safe and enjoyable experience.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Be aware of your surroundings and ensure that no one is in your line of fire.
- Store your firearm securely and out of reach of children and unauthorized users.
- Always use appropriate safety gear, including eye and ear protection when operating your firearm.
- Follow all local laws and regulations regarding firearm ownership and use.
- Ensure that you are physically and mentally capable of safely handling a firearm.

Specific Safety Precautions for Use

- This kit is intended for use with Ruger MKIV/MKIV 22/45 models only. Do not attempt to use it with other firearm models.
- Ensure that the firearm is unloaded before installation of the action enhancement kit.
- Installation should only be performed by individuals who are knowledgeable about firearms and their components.
- After installation, test the trigger mechanism in a safe environment to ensure proper function before using the firearm in live conditions.
- If you experience any issues with the trigger mechanism after installation, do not use the firearm and seek professional assistance immediately.
- The magazine safety delete allows the firearm to operate without the magazine inserted; use this feature only in controlled environments and for competition purposes.

Instructions for Installation and Usage

Installation Instructions

1. **Prepare Your Workspace:** Ensure that your workspace is clean and welllit. Gather all necessary tools and the Apex Action Enhancement Kit components.
2. **Unload the Firearm:** Confirm that the firearm is completely unloaded. Remove the magazine and visually inspect the chamber.
3. **Remove the Factory Trigger and Hammer:** Follow the manufacturer's instructions for disassembling the trigger and hammer assembly. Keep track of all parts.
4. **Install the Apex Components:**
 - Replace the factory trigger with the Apex trigger.
 - Install the Apex hammer following the provided instructions.
 - Insert the safety plate to maintain factory safety values.
 - If using the magazine safety delete, install it according to the instructions.
5. **Reassemble the Firearm:** Carefully reassemble the firearm, ensuring all parts are correctly fitted.
6. **Test the Trigger:** In a safe environment, test the trigger function several times to ensure it operates smoothly and safely.

Usage Instructions

- Always follow safe firearm handling practices when using your firearm.
- Be aware that the trigger pull weight will be reduced to approximately 3.0 lbs, which may affect your shooting technique.
- Regularly inspect the firearm and the installed components for any signs of wear or malfunction.
- If you compete, ensure that the modifications comply with competition rules and regulations.

Disposal Instructions

- Dispose of any unused or broken components in accordance with local regulations.
- Do not discard firearm parts in regular household waste. Check with local authorities for proper disposal methods for firearm components.

Contact Information for Further Support

For any questions or concerns regarding the Apex Action Enhancement Kit, please refer to the manufacturer's website or contact their customer service for assistance. Always ensure that you are receiving information from reputable sources.

By following these safety guidelines and instructions, you can enhance your shooting experience while prioritizing safety. Thank you for your attention to these important safety measures.
