[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

One of the most critical components on your AR-15 is the charging handle, since it gives you complete control over your gun's firing status. Because of that, you need a charging handle that's easy to use and durable, and Aero Precision has the perfect option in the form of its Breach Ambidextrous Charging Handle. The larger of the two levers gives you more surface area for instant, easy activation of the lever, whether through rapid one-handed racking or other motions. The Aero Precision Breach Charging Handle is machined from 7075 aluminum and is treated with a hardcoat-anodized finish. Like all of Aero's products, this handle is made right here in the USA.

## Introduction

Thank you for choosing the AR15 Breach Large Levers Charging Handle Ambidextrous by Aero Precision. This guide provides essential safety instructions, installation details, and usage recommendations to ensure a safe and effective experience with your charging handle. Please read this manual carefully before use.

## General Safety Guidelines

- Ensure that the charging handle is compatible with your AR15 model.
- Always handle firearms safely and responsibly.
- Keep the charging handle and all firearm components out of reach of children.
- Regularly inspect the charging handle for any signs of wear or damage before use.
- Do not use the charging handle if it is damaged or malfunctioning.
- Follow all local laws and regulations regarding firearm usage and modifications.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or handling the charging handle.
- Use the charging handle only as intended. Do not modify it in any way.
- Be aware of your surroundings and ensure a safe area when operating the firearm.
- Wear appropriate eye and ear protection when using the firearm.
- Use both hands when operating the charging handle to maintain control.
- If you experience any difficulty while using the charging handle, stop use immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing charging handle by pulling back the upper receiver and releasing it from its position.
- Insert the AR15 Breach Charging Handle into the receiver, ensuring it is aligned correctly.
- Push the charging handle fully into the receiver until it is securely in place.

### 2. Usage:

- To charge the firearm, grip the larger lever of the charging handle firmly.
- Pull the lever back smoothly and release to chamber a round.
- For onehanded operation, ensure a firm grip on the firearm to maintain stability.

## Disposal Instructions

- Dispose of the charging handle responsibly according to local waste management regulations.
- Do not dispose of the charging handle in regular household waste if it is damaged or defective.
- Check with local authorities for specific disposal guidelines for firearm components.
