

POLYMER ACTION ENHANCEMENT KITS FOR GLOCK® GEN3/4 - APEX TACTICAL SPECIALTIES INC POLYMER TRIGGER KIT FOR GLOCK GEN 3/4 BLACK

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

The Action Enhancement Kit for standard frame Gen 3 and Gen 4 pistols features the Apex Polymer Action Enhancement Trigger, with Trigger Bar, an Apex Performance Connector and Apex Ultimate Safety Plunger. The kit is a direct drop-in replacement of the factory polymer trigger, connector and striker plunger, and provides for a smoother trigger pull with reduced trigger pull weight, reduced travel, reduced reset and a crisp break. Expected Results: Direct drop-in replacement of factory polymer trigger, connector and striker plunger Smooths uptake and reset Reduces trigger pre-travel, overall travel and reset distance Crisp trigger break with a 1 lb. reduction in trigger pull weight Center mounted pivoting safety maintains factory safety values

Applicable to What Guns: For use in the following Gen 3 & 4 Glock® pistols: G17, G17L, G19, G22, G23, G24, G26, G27, G31, G32, G33, G34, G35, G37, G38, G39

Safety Instruction Guide for Polymer Action Enhancement Kits for Glock® Gen 3/4

Introduction

Thank you for choosing the Polymer Action Enhancement Kit for Glock® Gen 3/4 by Apex Tactical Specialties Inc. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that you are familiar with the operation of your Glock® pistol and its safety features.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Store the Polymer Action Enhancement Kit and your firearm in a secure location, away from children and unauthorized users.
- Regularly inspect your firearm and enhancement kit for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm modifications and usage.

Specific Safety Precautions for Use

- Only use the Polymer Action Enhancement Kit with compatible Glock® models: G17, G17L, G19, G22, G23, G24, G26, G27, G31, G32, G33, G34, G35, G37, G38, and G39.
- Ensure that the firearm is unloaded before starting the installation process.
- Use appropriate tools for installation to avoid damaging the kit or the firearm.
- Be aware that modifying your firearm may void its warranty.
- If you are not confident in your ability to install the kit, seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded.
- Gather necessary tools: a punch tool, a small hammer, and a cleaning cloth.

2. Removal of Factory Components

- Remove the slide from the frame of the Glock® pistol.
- Use the punch tool to carefully remove the factory trigger, connector, and striker plunger.

3. Installation of the Polymer Action Enhancement Kit

- Insert the Apex Polymer Action Enhancement Trigger into the frame.
- Attach the Trigger Bar to the trigger.
- Install the Apex Performance Connector in place of the factory connector.
- Replace the factory striker plunger with the Apex Ultimate Safety Plunger.

4. Reassembly

- Reattach the slide to the frame.
- Perform a function check to ensure that the trigger operates smoothly and safely.

5. Usage

- After installation, practice dry firing to familiarize yourself with the new trigger pull characteristics.

- Always follow safe handling practices when using your firearm.

Disposal Instructions

- Dispose of any packaging materials and old components in accordance with local regulations.
- If you need to dispose of the Polymer Action Enhancement Kit, follow your local waste disposal guidelines for electronic and mechanical products.

Contact Information for Further Support

For any inquiries or concerns regarding the Polymer Action Enhancement Kit, please reach out to the manufacturer directly. Ensure you have your product details ready for efficient assistance.

Conclusion

Following these safety instructions will help you safely enjoy the benefits of the Polymer Action Enhancement Kit for Glock® Gen 3/4. Always prioritize safety and adhere to local laws and regulations regarding firearm modifications. Thank you for your attention to these important safety measures.
