

POLYMER ACTION ENHANCEMENT KITS FOR GLOCK® GEN3/4 - APEX TACTICAL SPECIALTIES INC POLYMER TRIGGER KIT FOR GLOCK GEN 3/4 FDE

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

The Action Enhancement Kit for standard frame Gen 3 and Gen 4 pistols features the Apex Polymer Action Enhancement Trigger, with Trigger Bar, an Apex Performance Connector and Apex Ultimate Safety Plunger. The kit is a direct drop-in replacement of the factory polymer trigger, connector and striker plunger, and provides for a smoother trigger pull with reduced trigger pull weight, reduced travel, reduced reset and a crisp break. Expected Results: Direct drop-in replacement of factory polymer trigger, connector and striker plunger Smooths uptake and reset Reduces trigger pre-travel, overall travel and reset distance Crisp trigger break with a 1 lb. reduction in trigger pull weight Center mounted pivoting safety maintains factory safety values
Applicable to What Guns: For use in the following Gen 3 & 4 Glock® pistols: G17, G17L, G19, G22, G23, G24, G26, G27, G31, G32, G33, G34, G35, G37, G38, G39

Safety Instruction Guide for Polymer Action Enhancement Kits for Glock® Gen 3/4

Introduction

Thank you for choosing the Polymer Action Enhancement Kit for Glock® Gen 3/4 by Apex Tactical Specialties Inc. This guide provides essential safety information, installation instructions, and usage guidelines to ensure safe and effective operation of your new product. Please read this document carefully before using the kit.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use with Glock® Gen 3 and Gen 4 pistols. Ensure that you follow all instructions to minimize risks.
- **Enhanced Recalls:** In the event of any safety recalls, you will be notified through standardized notices. Always check for updates regarding product safety.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety regulations similar to those in physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep all components out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Stay informed about any safety alerts regarding this product through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that this kit is compatible with your specific Glock® model (G17, G17L, G19, G22, G23, G24, G26, G27, G31, G32, G33, G34, G35, G37, G38, G39).
- **Installation:** Follow the installation instructions precisely to avoid any hazards associated with improper installation.
- **Trigger Safety:** Always treat your firearm as if it is loaded. Ensure the firearm is pointed in a safe direction during installation and use.
- **Personal Protective Equipment:** Wear safety glasses and gloves during installation to protect against potential injuries.
- **Maintenance:** Regularly inspect your firearm and the installed kit for wear and tear. Replace any damaged components immediately.

Instructions for Installation and Usage

Installation Instructions

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: a punch tool and a small hammer.

2. Remove the Factory Trigger:

- Disassemble your Glock® according to the manufacturer's instructions.
- Use the punch tool to remove the pins securing the factory trigger, connector, and striker plunger.

3. Install the Apex Polymer Action Enhancement Trigger:

- Align the Apex trigger and carefully insert it into the trigger housing.
- Secure the trigger with the appropriate pins.

4. **Install the Apex Performance Connector:**

- Position the connector in the designated slot and ensure it is firmly in place.

5. **Install the Apex Ultimate Safety Plunger:**

- Insert the safety plunger into the correct location, ensuring it moves freely.

6. **Reassemble the Firearm:**

- Carefully reassemble your Glock® according to the manufacturer's specifications.
- Conduct a function check to ensure proper operation.

Usage Instructions

- **Trigger Pull:** The kit provides a smoother trigger pull with a reduced weight of approximately 1 lb.
- **Safety Features:** The centermounted pivoting safety maintains factory safety values.
- **Regular Checks:** After installation, regularly check the trigger pull and reset to ensure consistent performance.

Disposal Instructions

- **Disposal of Components:** Dispose of any old or unused parts in accordance with local regulations. Do not dispose of firearms or firearm components in regular waste.
- **Environmental Considerations:** Ensure that you dispose of materials in an environmentally friendly manner.

Contact Information for Further Support

For any questions or concerns regarding the Polymer Action Enhancement Kit for Glock® Gen 3/4, please refer to the manufacturer's official website or contact their support team directly for assistance.

By following this guide, you can ensure the safe and effective use of your Polymer Action Enhancement Kit. Thank you for your attention to these important safety instructions.
