

# POLYMER ACTION ENHANCEMENT KITS FOR GLOCK® GEN3/4 - APEX TACTICAL SPECIALTIES INC POLYMER TRIGGER KIT FOR GLOCK GEN 3/4 BLUE

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

The Action Enhancement Kit for standard frame Gen 3 and Gen 4 pistols features the Apex Polymer Action Enhancement Trigger, with Trigger Bar, an Apex Performance Connector and Apex Ultimate Safety Plunger. The kit is a direct drop-in replacement of the factory polymer trigger, connector and striker plunger, and provides for a smoother trigger pull with reduced trigger pull weight, reduced travel, reduced reset and a crisp break. Expected Results: Direct drop-in replacement of factory polymer trigger, connector and striker plunger Smooths uptake and reset Reduces trigger pre-travel, overall travel and reset distance Crisp trigger break with a 1 lb. reduction in trigger pull weight Center mounted pivoting safety maintains factory safety values  
Applicable to What Guns: For use in the following Gen 3 & 4 Glock® pistols: G17, G17L, G19, G22, G23, G24, G26, G27, G31, G32, G33, G34, G35, G37, G38, G39

# Safety Instruction Guide for Polymer Action Enhancement Kits for Glock® Gen 3/4

## Introduction

Thank you for purchasing the Polymer Action Enhancement Kit for Glock® Gen 3/4 by Apex Tactical Specialties Inc. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of all nonfood products, including the Polymer Action Enhancement Kit. Follow all instructions to minimize risks.
- **Enhanced Recalls:** Be aware of standardized recall notices. If a product is found to be dangerous, you may be eligible for a free remedy.
- **Online Shopping:** When purchasing online, ensure that the seller meets all safety requirements that apply to physical stores.
- **Special Consumer Focus:** Extra precautions should be taken if the product is accessible to vulnerable groups, such as children.
- **EU Contact Point:** For any safety inquiries, ensure you have access to an EU-based contact for assistance.
- **Rapid Alerts:** Stay informed about unsafe products through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for adult users only. Keep out of reach of children.
- **Installation Safety:** Ensure that the firearm is unloaded before beginning the installation process. Always follow safe firearm handling practices.
- **Testing:** After installation, test the trigger function in a safe environment to ensure it operates correctly before regular use.
- **Regular Maintenance:** Periodically inspect the installed kit for wear or damage. Replace any components that show signs of wear.
- **Avoid Modifications:** Do not modify the installed kit or firearm components. Unauthorized modifications may lead to unsafe conditions.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a punch tool and a small hammer.

### 2. Installation Steps:

- Remove the factory polymer trigger, connector, and striker plunger from the firearm.
- Carefully install the Apex Polymer Action Enhancement Trigger, ensuring proper alignment with the trigger bar.
- Install the Apex Performance Connector in place of the factory connector.
- Replace the factory striker plunger with the Apex Ultimate Safety Plunger.
- Doublecheck all components for proper installation and alignment.

### 3. Testing:

- After installation, conduct a function check to ensure the trigger operates smoothly.
- Test the trigger pull weight and ensure it meets your expectations.
- Always perform these tests in a controlled and safe environment.

#### **4. Usage:**

- Use the firearm with the installed kit only for its intended purpose.
- Regularly check the performance of the trigger and ensure that it remains within safe operating conditions.

## **Disposal Instructions**

- Dispose of any removed factory components and packaging materials in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for local recycling programs or hazardous waste disposal facilities.

## **Contact Information for Further Support**

For additional support or inquiries regarding the Polymer Action Enhancement Kit, please refer to the manufacturer's website or contact the retailer from whom you purchased the product. Ensure that you have your product information readily available for any assistance.

By following these safety instructions, you can help ensure your safety and the safe operation of your firearm with the Polymer Action Enhancement Kit. Always prioritize safety and responsible handling practices when using firearms.
