# Polymer Action Enhancement Kits for Glock® Gen 3/4 Safety Instruction Guide

## Introduction

Thank you for purchasing the Polymer Action Enhancement Kit for Glock® Gen 3/4 by Apex Tactical Specialties Inc. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this manual carefully before installation and usage.

## General Safety Guidelines

To ensure safe use of the Polymer Action Enhancement Kit, please adhere to the following safety guidelines:

- **Product Safety:** This kit is designed for safe use in standard frame Gen 3 and Gen 4 Glock® pistols. Ensure that you are using it in accordance with the manufacturer's guidelines.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a recall notice, follow the instructions provided to remedy any safety issues.
- **Online Shopping:** If you purchased this product online, ensure that the retailer complies with safety standards.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety and recalls.

## Specific Safety Precautions for Use

Before using the Polymer Action Enhancement Kit, please observe the following precautions:

- **Compatibility:** Ensure that the kit is compatible with your Glock® model (G17, G17L, G19, G22, G23, G24, G26, G27, G31, G32, G33, G34, G35, G37, G38, G39).
- **Installation:** Only install the kit if you have the necessary knowledge and skills. If unsure, seek assistance from a qualified gunsmith.
- **Testing:** After installation, test the trigger function in a safe environment before using the firearm.
- **Maintenance:** Regularly inspect the installed kit for wear and tear. Replace any worn components immediately.
- **Storage:** Store your firearm and the enhancement kit in a secure location to prevent unauthorized access.

## Instructions for Installation and Usage

Follow these steps for the proper installation and usage of the Polymer Action Enhancement Kit:

### Installation Steps

1. **Safety First:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove the Factory Trigger:** Follow the manufacturer's guidelines to safely remove the factory polymer trigger, connector, and striker plunger.
3. **Install the Apex Polymer Action Enhancement Trigger:**
  - Insert the Apex Polymer Action Enhancement Trigger into the trigger housing.
  - Attach the Trigger Bar securely.
4. **Install the Apex Performance Connector:**
  - Replace the factory connector with the Apex Performance Connector.
  - Ensure it is properly seated.

5. **Install the Apex Ultimate Safety Plunger:**
  - Replace the factory striker plunger with the Apex Ultimate Safety Plunger.
  - Confirm it is correctly positioned.
6. **Reassemble the Firearm:** Carefully reassemble the firearm, ensuring all components are securely in place.
7. **Function Check:** Conduct a function check to verify that the trigger operates smoothly and safely.

## Usage Instructions

- **Trigger Pull:** Expect a smoother trigger pull with reduced weight and travel.
- **Safety Check:** Always perform a safety check before using your firearm.
- **Training:** Consider professional training to familiarize yourself with the enhanced trigger function.

## Disposal Instructions

When disposing of the Polymer Action Enhancement Kit or any of its components, follow local regulations regarding hazardous materials. Do not dispose of in regular household waste. Contact your local waste management authority for guidance on proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the Polymer Action Enhancement Kit, please refer to the contact information provided by your retailer or the manufacturer. It is important to seek professional assistance if you encounter any issues during installation or use.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your Polymer Action Enhancement Kit for Glock® Gen 3/4. Thank you for prioritizing safety!
