

# LV-119 REAR COVERT PLATE BAG - SPIRITUS SYSTEMS LV-119 REAR COVERT PLATE BAG (LARGE) - COYOTE BROWN

[Home](#)

LV/119 Rear Covert Plate Bag The Spiritus Systems LV/119 Rear COVERT Plate bag is a slick no frills solution for those who need to wear hard plates in the lowest profile possible. A 3" tall velcro loop panel is sewn at chest height for IR identifiers, patches or even our jumbo flags. The cummerbund attachment is a proprietary system that allows for the use of all of our cummerbunds as well as allowing for a wide range of adjustment. The cummerbund attaches inside the plate bag, which is advantageous for two reasons: 1. It doesn't have external mounting that can get snagged or rip off when exiting vehicles in haste. 2. It creates a smooth profile when wearing underneath clothing. The LV/119 Plate Carrier System was designed to be a scalable and highly configurable plate carrier platform. The system will offer accessories ranging from Covert Low Visibility Operations, to High Threat Direct Action Raids. We designed the system to be issued in entirety to operators who can then select the desired configuration to meet their mission requirements. All parts and accessories will be interchangeable throughout the series. Plate Fitment The carrier was designed to fit United States Standard Issue SAPI cut plates, but it will fit other cuts as well as long as they fit within the specifications listed below. The bags were built to accommodate "thicker" plates, but they will not fit plates do not fall within the measurements listed. Medium-10" x 12.5" Large- 10.25" x 13.25" Extra Large- 11" x 14.00" Thickness- MAXIMUM of 1.20" NOTE: This is a component of a Spiritus Systems LV/119 Plate Carrier build. To build a COMPLETE plate carrier you will need to select AT LEAST ONE of each of these items: Spiritus Systems Front Plate Bag Spiritus Systems Rear Plate Bag Spiritus Systems Shoulder Covers Spiritus Systems Cummerbund Set Note: This product may be shown with optional accessories. Made in the USA

## Attributes

# Safety Instruction Guide for LV119 Rear Covert Plate Bag

## Introduction

Thank you for choosing the LV119 Rear Covert Plate Bag from Spiritus Systems. This guide provides important safety information, usage instructions, and disposal guidelines to ensure your safety and the proper use of this product. Please read this guide carefully before use.

## General Safety Guidelines

- **Product Safety:** The LV119 Rear Covert Plate Bag is designed to meet safety standards for nonfood products. Ensure proper use to minimize risks.
- **Enhanced Recalls:** Stay informed about any product recalls. Regularly check for updates to ensure your product remains safe.
- **Online Shopping Protections:** If purchased online, ensure the seller complies with safety standards equivalent to physical stores.
- **Vulnerable Groups:** This product is not intended for children. Ensure it is used only by adults trained in its use.
- **EU Contact Point:** For any safety inquiries, please reach out to the designated EU contact point associated with this product.
- **Rapid Alerts:** Be aware of the EU Safety Gate system for updates on unsafe products.

## Specific Safety Precautions for Use

- **Proper Fitment:** Ensure that the plates used in the LV119 bag fit within the specified dimensions. The carrier is designed to accommodate:
  - Medium: 10" x 12.5"
  - Large: 10.25" x 13.25"
  - Extra Large: 11" x 14.00"
  - Thickness: MAXIMUM of 1.20"
- **Avoid Overloading:** Do not exceed the recommended weight limit for the plate bag to prevent injury or damage.
- **Inspect Before Use:** Regularly check the bag for signs of wear, damage, or malfunction before each use.
- **Use in Appropriate Conditions:** This product is intended for tactical use. Avoid using it in situations where it may not provide adequate protection.
- **Secure Attachment:** Ensure the cummerbund is securely attached to prevent accidental detachment during use.

## Instructions for Installation and Usage

1. **Unpacking:** Carefully remove the LV119 Rear Covert Plate Bag from its packaging.
2. **Plate Insertion:**
  - Open the plate bag by unfastening the velcro closures.
  - Insert the appropriate plate size into the designated compartment.
  - Ensure the plate fits snugly and securely within the bag.
3. **Cummerbund Attachment:**
  - Attach the cummerbund inside the plate bag using the proprietary attachment system.
  - Adjust the cummerbund to fit your body comfortably while allowing for movement.
4. **Adjustments:**
  - Adjust the shoulder straps and cummerbund for a secure and comfortable fit.
  - Ensure that the bag does not shift or move excessively during use.

## 5. Wearing the Bag:

- Put on the plate bag like a vest, ensuring it sits comfortably on your body.
- Make sure the bag is not obstructed by clothing or equipment for optimal performance.

## Disposal Instructions

- **Environmental Responsibility:** Dispose of the product in an environmentally friendly manner.
- **Local Regulations:** Follow local regulations for disposal of textile and plastic materials.
- **Recycling:** If possible, recycle components of the plate bag to minimize environmental impact.

## Contact Information for Further Support

For any questions or concerns regarding the LV119 Rear Covert Plate Bag, please refer to the contact information provided by the retailer or manufacturer. Ensure you have your purchase details ready for efficient assistance.

Thank you for your attention to these safety instructions. Proper use and maintenance of the LV119 Rear Covert Plate Bag will enhance your safety and performance in the field.
