

LV-119 REAR COVERT PLATE BAG - SPIRITUS SYSTEMS LV-119 REAR COVERT PLATE BAG (LARGE) - MULTICAM ARID

[Home](#)

LV/119 Rear Covert Plate Bag The Spiritus Systems LV/119 Rear COVERT Plate bag is a slick no frills solution for those who need to wear hard plates in the lowest profile possible. A 3" tall velcro loop panel is sewn at chest height for IR identifiers, patches or even our jumbo flags. The cummerbund attachment is a proprietary system that allows for the use of all of our cummerbunds as well as allowing for a wide range of adjustment. The cummerbund attaches inside the plate bag, which is advantageous for two reasons: 1. It doesn't have external mounting that can get snagged or rip off when exiting vehicles in haste. 2. It creates a smooth profile when wearing underneath clothing. The LV/119 Plate Carrier System was designed to be a scalable and highly configurable plate carrier platform. The system will offer accessories ranging from Covert Low Visibility Operations, to High Threat Direct Action Raids. We designed the system to be issued in entirety to operators who can then select the desired configuration to meet their mission requirements. All parts and accessories will be interchangeable throughout the series. Plate Fitment The carrier was designed to fit United States Standard Issue SAPI cut plates, but it will fit other cuts as well as long as they fit within the specifications listed below. The bags were built to accommodate "thicker" plates, but they will not fit plates do not fall within the measurements listed. Medium-10" x 12.5" Large- 10.25" x 13.25" Extra Large- 11" x 14.00" Thickness- MAXIMUM of 1.20" NOTE: This is a component of a Spiritus Systems LV/119 Plate Carrier build. To build a COMPLETE plate carrier you will need to select AT LEAST ONE of each of these items: Spiritus Systems Front Plate Bag Spiritus Systems Rear Plate Bag Spiritus Systems Shoulder Covers Spiritus Systems Cummerbund Set Note: This product may be shown with optional accessories. Made in the USA

LV119 Rear Covert Plate Bag Safety Instructions

Introduction

Thank you for choosing the Spiritus Systems LV119 Rear Covert Plate Bag. This product is designed to provide a lowprofile solution for wearing hard plates safely and comfortably. Please read this safety instruction guide carefully to ensure proper usage and to maximize safety.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as described in the product documentation.
- Regularly inspect the plate bag for any signs of wear, damage, or malfunction before each use.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental misuse.
- Follow all local laws and regulations regarding the use of tactical gear.
- In case of any accidents or injuries while using this product, report them to the relevant authorities immediately.

Specific Safety Precautions for Use

- Always ensure that hard plates are properly fitted inside the plate bag to avoid shifting during use.
- Do not exceed the maximum plate thickness of 1.20 inches to ensure proper fit and safety.
- When wearing the plate bag under clothing, ensure that it does not obstruct movement or visibility.
- Avoid exposing the plate bag to extreme temperatures or harsh chemicals, as this may compromise its integrity.
- If using the cummerbund attachment, ensure that it is securely fastened to avoid accidental detachment.

Instructions for Installation and Usage

Installation

1. **Prepare the Plate Bag:** Lay the LV119 Rear Covert Plate Bag flat on a clean surface.
2. **Insert Plates:**
 - Choose the appropriate size of hard plates according to the following measurements:
 - Medium: 10" x 12.5"
 - Large: 10.25" x 13.25"
 - Extra Large: 11" x 14.00"
 - Ensure that the plates fit snugly within the designated compartments of the bag.
3. **Secure the Cummerbund:**
 - Attach the cummerbund inside the plate bag using the proprietary attachment system.
 - Adjust the cummerbund to fit securely around your torso without being overly tight.

Usage

- When wearing the plate bag, adjust the straps to ensure a comfortable and secure fit.
- Utilize the 3" tall velcro loop panel for attaching IR identifiers or patches as needed.
- If wearing the plate bag under clothing, ensure that it lies flat against your body to maintain a smooth profile.
- Always check the fit and comfort of the plate bag before engaging in any activities.

Disposal Instructions

- Dispose of the LV119 Rear Covert Plate Bag in accordance with local regulations for textile waste.
- If the product is damaged beyond repair, ensure that it is cut or otherwise rendered unusable before disposal to prevent misuse.

Contact Information for Further Support

For any inquiries or concerns regarding the LV119 Rear Covert Plate Bag, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for your attention to these safety instructions. Your safety is our priority as you utilize the Spiritus Systems LV119 Rear Covert Plate Bag.
