

# LV-119 REAR COVERT PLATE BAG - SPIRITUS SYSTEMS LV-119 REAR COVERT PLATE BAG (LARGE) - MULTICAM

[Home](#)

LV/119 Rear Covert Plate Bag The Spiritus Systems LV/119 Rear COVERT Plate bag is a slick no frills solution for those who need to wear hard plates in the lowest profile possible. A 3" tall velcro loop panel is sewn at chest height for IR identifiers, patches or even our jumbo flags. The cummerbund attachment is a proprietary system that allows for the use of all of our cummerbunds as well as allowing for a wide range of adjustment. The cummerbund attaches inside the plate bag, which is advantageous for two reasons: 1. It doesn't have external mounting that can get snagged or rip off when exiting vehicles in haste. 2. It creates a smooth profile when wearing underneath clothing. The LV/119 Plate Carrier System was designed to be a scalable and highly configurable plate carrier platform. The system will offer accessories ranging from Covert Low Visibility Operations, to High Threat Direct Action Raids. We designed the system to be issued in entirety to operators who can then select the desired configuration to meet their mission requirements. All parts and accessories will be interchangeable throughout the series. Plate Fitment The carrier was designed to fit United States Standard Issue SAPI cut plates, but it will fit other cuts as well as long as they fit within the specifications listed below. The bags were built to accommodate "thicker" plates, but they will not fit plates do not fall within the measurements listed. Medium-10" x 12.5" Large- 10.25" x 13.25" Extra Large- 11" x 14.00" Thickness- MAXIMUM of 1.20" NOTE: This is a component of a Spiritus Systems LV/119 Plate Carrier build. To build a COMPLETE plate carrier you will need to select AT LEAST ONE of each of these items: Spiritus Systems Front Plate Bag Spiritus Systems Rear Plate Bag Spiritus Systems Shoulder Covers Spiritus Systems Cummerbund Set Note: This product may be shown with optional accessories. Made in the USA

# Safety Instruction Guide for LV119 Rear Covert Plate Bag

## Introduction

Thank you for choosing the LV119 Rear Covert Plate Bag by Spiritus Systems. This guide provides important safety information and instructions to ensure the safe and effective use of your plate bag. Please read this document carefully before use.

## General Safety Guidelines

- **Product Safety:** This product is designed for safe use and complies with EU safety regulations. Ensure you follow all instructions to minimize risks.
- **Enhanced Recalls:** In the event of a safety issue, recall notices will be issued. You may receive free remedies for any dangerous products.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is intended for adult users. Extra care should be taken to keep it out of reach of children.
- **EU Contact Point:** For safety inquiries, please refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Stay informed about potential safety issues through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Proper Fit:** Ensure that the plate bag fits your body size and the hard plates conform to the specified measurements.
- **Weight Consideration:** Be mindful of the weight of the plates being used. Excessive weight may cause discomfort or strain.
- **Inspect Regularly:** Check the bag for any signs of wear or damage before each use. Do not use if damaged.
- **Avoid Snagging:** Be cautious of external attachments that may snag on objects, especially when exiting vehicles or moving through tight spaces.
- **Under Clothing Use:** If wearing the plate bag under clothing, ensure it does not restrict movement or cause discomfort.

## Instructions for Installation and Usage

### 1. Plate Installation:

- Open the rear compartment of the LV119 Plate Bag.
- Insert the hard plates according to the specified fitment:
  - Medium: 10" x 12.5"
  - Large: 10.25" x 13.25"
  - Extra Large: 11" x 14.00"
  - Thickness: Maximum of 1.20"
- Ensure plates are securely positioned within the bag.

### 2. Cummerbund Attachment:

- Attach the cummerbund using the proprietary system provided.
- Adjust the cummerbund for a comfortable and secure fit.
- Ensure the cummerbund is attached inside the plate bag to maintain a smooth profile.

### 3. Wearing the Plate Bag:

- Adjust shoulder straps for a snug fit.
- Ensure that the bag does not restrict movement.
- If wearing under clothing, check that it remains concealed and comfortable.

### 4. Maintenance:

- Clean the bag regularly with a damp cloth. Avoid using harsh chemicals or solvents.
- Store the bag in a cool, dry place when not in use.

## Disposal Instructions

- **Recycling:** Dispose of the LV119 Rear Covert Plate Bag in accordance with local recycling regulations.
- **NonRecyclable Components:** If any parts of the bag are nonrecyclable, follow local guidelines for safe disposal.
- **Environmental Considerations:** Do not dispose of the product in water bodies or landfills.

## Contact Information for Further Support

For any inquiries or issues regarding the LV119 Rear Covert Plate Bag, please refer to the manufacturer's contact point provided at the time of purchase.
