

LV-119 REAR COVERT PLATE BAG - SPIRITUS SYSTEMS LV-119 REAR COVERT PLATE BAG (LARGE) - MULTICAM TROPIC

[Home](#)

LV/119 Rear Covert Plate Bag The Spiritus Systems LV/119 Rear COVERT Plate bag is a slick no frills solution for those who need to wear hard plates in the lowest profile possible. A 3" tall velcro loop panel is sewn at chest height for IR identifiers, patches or even our jumbo flags. The cummerbund attachment is a proprietary system that allows for the use of all of our cummerbunds as well as allowing for a wide range of adjustment. The cummerbund attaches inside the plate bag, which is advantageous for two reasons: 1. It doesn't have external mounting that can get snagged or rip off when exiting vehicles in haste. 2. It creates a smooth profile when wearing underneath clothing. The LV/119 Plate Carrier System was designed to be a scalable and highly configurable plate carrier platform. The system will offer accessories ranging from Covert Low Visibility Operations, to High Threat Direct Action Raids. We designed the system to be issued in entirety to operators who can then select the desired configuration to meet their mission requirements. All parts and accessories will be interchangeable throughout the series. Plate Fitment The carrier was designed to fit United States Standard Issue SAPI cut plates, but it will fit other cuts as well as long as they fit within the specifications listed below. The bags were built to accommodate "thicker" plates, but they will not fit plates do not fall within the measurements listed. Medium-10" x 12.5" Large- 10.25" x 13.25" Extra Large- 11" x 14.00" Thickness- MAXIMUM of 1.20" NOTE: This is a component of a Spiritus Systems LV/119 Plate Carrier build. To build a COMPLETE plate carrier you will need to select AT LEAST ONE of each of these items: Spiritus Systems Front Plate Bag Spiritus Systems Rear Plate Bag Spiritus Systems Shoulder Covers Spiritus Systems Cummerbund Set Note: This product may be shown with optional accessories. Made in the USA

Safety Instruction Guide for LV119 Rear Covert Plate Bag

Introduction

Thank you for choosing the Spiritus Systems LV119 Rear Covert Plate Bag. This product is designed for those who require a lowprofile solution for wearing hard plates. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** Ensure safe use of the LV119 Rear Covert Plate Bag by following all instructions provided in this guide. This product is designed to meet safety standards and is suitable for its intended use.
- **Enhanced Recalls:** In case of product recalls, standardized notices will be provided, and free remedies will be available for dangerous products. Always stay informed about recalls.
- **Online Shopping:** Whether purchased online or instore, this product meets the same safety requirements. Ensure that the platform where you purchased the product complies with safety regulations.
- **Special Consumer Focus:** This product is not intended for children. Keep it out of reach of minors to avoid any potential hazards.
- **EU Contact Point:** For safety inquiries, please refer to the designated EUbased contact point provided by the manufacturer.
- **Rapid Alerts:** Stay updated on any safety alerts regarding this product through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - This product is designed for use with hard plates that fit within specified dimensions. Using incompatible plates may pose a risk of injury.
 - Ensure that the cummerbund is securely attached to avoid accidental detachment during use.
- **Avoiding Hazards:**
 - Always check the fitment of the plates before use. The carrier is designed for SAPI cut plates and may not accommodate other cuts that exceed the specified dimensions.
 - Do not use the LV119 Rear Covert Plate Bag if it shows signs of wear or damage.
 - Avoid using the product in situations where it may get snagged or caught on equipment, particularly when exiting vehicles.
- **AgeSpecific Warnings:**
 - This product is not suitable for children. Ensure it is used by adults who are trained in its proper use.

Instructions for Installation and Usage

- **Installation:**
 1. Open the LV119 Rear Covert Plate Bag by unfastening the Velcro closures.

2. Insert hard plates into the designated compartments, ensuring they fit securely.
3. Attach the cummerbund inside the plate bag using the proprietary system. Adjust the cummerbund for a snug fit.

- **Usage:**

- Wear the LV119 Rear Covert Plate Bag over appropriate clothing to maintain a low profile.
- Ensure that the Velcro loop panel at chest height is free from obstructions for easy attachment of IR identifiers or patches.
- Regularly inspect the bag for any signs of wear, damage, or loose attachments before each use.

Disposal Instructions

- Dispose of the LV119 Rear Covert Plate Bag in accordance with local regulations.
- If the product is damaged or no longer needed, consider recycling materials where possible.
- Do not dispose of the product in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any inquiries regarding the LV119 Rear Covert Plate Bag, please refer to the manufacturer's contact information provided with your purchase. Ensure you have the product details ready for any support requests.

By following these guidelines, you can ensure the safe use and longevity of your LV119 Rear Covert Plate Bag. Thank you for your attention to these important safety instructions.
