

LV-119 REAR COVERT PLATE BAG - SPIRITUS SYSTEMS LV-119 REAR COVERT PLATE BAG (LARGE) - WOLF GREY

[Home](#)

LV/119 Rear Covert Plate Bag The Spiritus Systems LV/119 Rear COVERT Plate bag is a slick no frills solution for those who need to wear hard plates in the lowest profile possible. A 3" tall velcro loop panel is sewn at chest height for IR identifiers, patches or even our jumbo flags. The cummerbund attachment is a proprietary system that allows for the use of all of our cummerbunds as well as allowing for a wide range of adjustment. The cummerbund attaches inside the plate bag, which is advantageous for two reasons: 1. It doesn't have external mounting that can get snagged or rip off when exiting vehicles in haste. 2. It creates a smooth profile when wearing underneath clothing. The LV/119 Plate Carrier System was designed to be a scalable and highly configurable plate carrier platform. The system will offer accessories ranging from Covert Low Visibility Operations, to High Threat Direct Action Raids. We designed the system to be issued in entirety to operators who can then select the desired configuration to meet their mission requirements. All parts and accessories will be interchangeable throughout the series. Plate Fitment The carrier was designed to fit United States Standard Issue SAPI cut plates, but it will fit other cuts as well as long as they fit within the specifications listed below. The bags were built to accommodate "thicker" plates, but they will not fit plates do not fall within the measurements listed. Medium-10" x 12.5" Large- 10.25" x 13.25" Extra Large- 11" x 14.00" Thickness- MAXIMUM of 1.20" NOTE: This is a component of a Spiritus Systems LV/119 Plate Carrier build. To build a COMPLETE plate carrier you will need to select AT LEAST ONE of each of these items: Spiritus Systems Front Plate Bag Spiritus Systems Rear Plate Bag Spiritus Systems Shoulder Covers Spiritus Systems Cummerbund Set Note: This product may be shown with optional accessories. Made in the USA

LV119 Rear Covert Plate Bag Safety Instruction Guide

Introduction

Thank you for choosing the Spiritus Systems LV119 Rear Covert Plate Bag. This product is designed to provide a secure and lowprofile solution for wearing hard plates. To ensure your safety and the best possible experience, please read this safety instruction guide carefully before use.

General Safety Guidelines

- Ensure the plate bag is compatible with the size and type of plates you intend to use.
- Check for any visible damage to the bag before use. Do not use if damaged.
- Keep the bag away from sharp objects that may cause tears or punctures.
- Store the plate bag in a cool, dry place when not in use.
- Regularly inspect the bag for wear and tear, especially if used frequently in demanding environments.

Specific Safety Precautions for Use

- The LV119 Rear Covert Plate Bag is designed for adult use only. It is not suitable for children.
- Always ensure that the cummerbund is securely attached before wearing the plate bag.
- Avoid using the plate bag in situations where it may become entangled with machinery or other hazards.
- Do not overload the bag with excessive weight as it may compromise the integrity of the bag and the protection it offers.
- Be cautious when wearing the plate bag under clothing to ensure it does not restrict movement or breathing.

Instructions for Installation and Usage

1. Compatibility Check:

- Ensure your hard plates fit within the following specifications:
 - Medium: 10" x 12.5"
 - Large: 10.25" x 13.25"
 - Extra Large: 11" x 14.00"
 - Maximum Thickness: 1.20"

2. Attaching the Cummerbund:

- The cummerbund attaches inside the plate bag. Ensure it is securely fastened to avoid any movement during use.
- Adjust the cummerbund for a snug fit, ensuring it does not restrict your movement.

3. Wearing the Plate Bag:

- Place the plate bag on your torso, ensuring the back panel is aligned with your spine.
- Adjust the shoulder straps to achieve a comfortable fit.
- The velcro loop panel at chest height can be used for attaching IR identifiers, patches, or flags.

4. Inspection Before Use:

- Before each use, check the integrity of the seams, straps, and attachment points.
- Ensure there are no obstructions in the bag that could cause discomfort.

Disposal Instructions

- Dispose of the LV119 Rear Covert Plate Bag in accordance with local regulations.
- If the bag is damaged beyond repair, consider recycling materials where possible.
- Do not incinerate the bag as it may release harmful substances.

Contact Information for Further Support

For any questions or concerns regarding the LV119 Rear Covert Plate Bag, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website for additional resources.

By following these guidelines, you can ensure the safe and effective use of your Spiritus Systems LV119 Rear Covert Plate Bag. Thank you for prioritizing safety and compliance with EU General Product Safety Regulations.
