

LV-119 REAR COVERT PLATE BAG - SPIRITUS SYSTEMS LV-119 REAR COVERT PLATE BAG (MEDIUM) - MULTICAM ARID

[Home](#)

LV/119 Rear Covert Plate Bag The Spiritus Systems LV/119 Rear COVERT Plate bag is a slick no frills solution for those who need to wear hard plates in the lowest profile possible. A 3" tall velcro loop panel is sewn at chest height for IR identifiers, patches or even our jumbo flags. The cummerbund attachment is a proprietary system that allows for the use of all of our cummerbunds as well as allowing for a wide range of adjustment. The cummerbund attaches inside the plate bag, which is advantageous for two reasons: 1. It doesn't have external mounting that can get snagged or rip off when exiting vehicles in haste. 2. It creates a smooth profile when wearing underneath clothing. The LV/119 Plate Carrier System was designed to be a scalable and highly configurable plate carrier platform. The system will offer accessories ranging from Covert Low Visibility Operations, to High Threat Direct Action Raids. We designed the system to be issued in entirety to operators who can then select the desired configuration to meet their mission requirements. All parts and accessories will be interchangeable throughout the series. Plate Fitment The carrier was designed to fit United States Standard Issue SAPI cut plates, but it will fit other cuts as well as long as they fit within the specifications listed below. The bags were built to accommodate "thicker" plates, but they will not fit plates do not fall within the measurements listed. Medium-10" x 12.5" Large- 10.25" x 13.25" Extra Large- 11" x 14.00" Thickness- MAXIMUM of 1.20" NOTE: This is a component of a Spiritus Systems LV/119 Plate Carrier build. To build a COMPLETE plate carrier you will need to select AT LEAST ONE of each of these items: Spiritus Systems Front Plate Bag Spiritus Systems Rear Plate Bag Spiritus Systems Shoulder Covers Spiritus Systems Cummerbund Set Note: This product may be shown with optional accessories. Made in the USA

Safety Instruction Guide for LV119 Rear Covert Plate Bag

Introduction

Thank you for choosing the LV119 Rear Covert Plate Bag from Spiritus Systems. This product is designed to provide a lowprofile solution for carrying hard plates while ensuring safety and comfort. Please read this safety instruction guide carefully to ensure proper use and maintenance of the product.

General Safety Guidelines

- **Product Safety:** The LV119 Rear Covert Plate Bag complies with EU General Product Safety Regulation (GPSR) to ensure safe use during all activities.
- **Enhanced Recalls:** In the event of any safety concerns, recall notices will be issued, and remedies will be provided free of charge.
- **Online Shopping Safety:** When purchasing online, ensure that the platform adheres to safety requirements similar to physical stores.
- **Consumer Protection:** Extra precautions are in place to safeguard vulnerable groups. Ensure the product is used by individuals who are fit to do so.
- **EU Contact Point:** For safety inquiries, please refer to the designated EU contact point associated with this product.
- **Rapid Alerts:** Stay informed about product safety updates via the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by adults only. Keep out of reach of children.
- **Proper Fit:** Ensure the plate bag is compatible with the plates you intend to use. Refer to the fitment specifications provided in the product description.
- **Secure Attachment:** Always ensure the cummerbund is securely attached inside the plate bag to prevent accidents.
- **Avoid Snagging:** Be cautious of external attachments that may snag during movement, especially when exiting vehicles.
- **Inspect Regularly:** Check the condition of the plate bag and all attachments regularly for signs of wear and tear.
- **Emergency Situations:** In case of an emergency, remain calm and follow established safety protocols.

Instructions for Installation and Usage

Installation

1. **Prepare the Plate Bag:** Open the LV119 Rear Covert Plate Bag and lay it flat on a clean surface.
2. **Insert Plates:** Carefully insert the hard plates into the designated compartments, ensuring they fit securely.
3. **Attach Cummerbund:** Use the proprietary cummerbund attachment system to secure the cummerbund inside the plate bag. Adjust for a snug fit.
4. **Adjust Straps:** Adjust any additional straps or attachments for comfort and stability.

Usage

- **Wearing the Plate Bag:**
 - Ensure the plate bag is worn over appropriate clothing for comfort and concealment.
 - Adjust the cummerbund and shoulder straps to ensure a secure fit.
- **Removing the Plate Bag:**
 - To remove, unfasten the cummerbund and any other attachments.

- Carefully lift the plate bag off without force.
- **Storage:** Store the plate bag in a cool, dry place when not in use to maintain its integrity.

Disposal Instructions

- **Recycling:** When the LV119 Rear Covert Plate Bag reaches the end of its life, dispose of it responsibly. Check local regulations for recycling options.
- **NonRecyclable Components:** If any components cannot be recycled, dispose of them in accordance with local waste management guidelines.

Contact Information for Further Support

For any questions or concerns regarding the LV119 Rear Covert Plate Bag, please refer to the manufacturer's website or customer service for assistance.

By following these safety instructions, you can ensure the safe use of the LV119 Rear Covert Plate Bag while maximizing its performance and longevity. Thank you for your attention to safety and enjoy your product!
