

# RAID COVER, FLUX - SPIRITUS SYSTEMS RAID COVER - FLUX - MULTICAM TROPIC

[Shooting Accessories](#) > [Tactical Gear](#) > [Accessories](#)

RAID Cover – FLUX Soldiers have been covering their helmets for a long time and the concept is not new to the nylon industry. Helmet covers have many benefits that keep them relevant even as the ballistic technology of helmets evolve. Primarily, covers aid in the protection of your helmet and provide a sacrificial barrier between the elements and your lid. Most notably, they help with abrasion resistance. Additionally, helmet covers allow the end user the ability to rapidly change the color of their helmet in changing environments or to add IR Defeat properties in a cost effective manner. With so many options out there, what makes this helmet cover different? The Spiritus Systems R A I D Cover was developed with ground combat operations in mind. The market is currently filled with helmet covers that offer a ton of features, such as built in battery packs and bungee systems. Spiritus decided to go with an extremely bare bones and slick configuration instead. After a few months of testing different feature-rich designs, Spiritus decided that less is more when it comes to helmet cover design. They found that having features like bungee cords permanently attached to the helmet quickly become snag hazards that can be fatal when conducting HELO or Airborne operations. Instead, they opted for a lower profile, fitted design which matches the natural contour of the helmet. The idea is that you can attach accessories like strobes, battery packs, and identifiers with Velcro. This eliminates the snag hazard, as the velcro will separate long before an injury could be caused. The R A I D cover is built out of Solution Dyed IR DEFEAT 500D Cordura Nylon. It uses genuine VELCRO brand Hook and Loop which is also IR DEFEAT. Spiritus also reinforced the front attachment points with a rubber-impregnated material (HANK) that is extremely abrasion resistant to prevent wear on high friction points. Note: This product may be shown with optional accessories. Made in the USA

## Attributes

- Name: [SPIRITUS SYSTEMS RAID COVER - FLUX - MULTICAM TROPIC](#)
- Manufacturer: [SPIRITUS SYSTEMS](#)
- Product no.: 430101668
- Mfr. No.: AC-HC-FX-MT
- Colour: Multi-Cam Tropic
- Delivery weight: 0.063kg
- Shipping height: 25mm
- Shipping width: 229mm
- Shipping length: 184mm

# Safety Instruction Guide for RAID COVER FLUX SPIRITUS SYSTEMS

## Introduction

Thank you for choosing the RAID Cover FLUX from Spiritus Systems. This product is designed to enhance the protection and functionality of your helmet during ground combat operations. To ensure your safety and the effective use of this product, please read this safety instruction guide thoroughly.

## General Safety Guidelines

- **Product Safety:** This product is designed for safe use in nonfood applications. Ensure you follow all safety instructions to mitigate risks.
- **Enhanced Recalls:** In the event of a product recall, you will receive standardized notices and remedies at no cost.
- **Online Shopping:** When purchasing online, ensure the platform adheres to safety requirements equivalent to those of physical stores.
- **Special Consumer Focus:** Extra precautions are in place for vulnerable groups, including children. Keep this product out of their reach.
- **EU Contact Point:** For safety inquiries, refer to the designated EU contact point associated with this product.
- **Rapid Alerts:** Stay informed about unsafe products through the EU's Safety Gate system.

## Specific Safety Precautions for Use

- **Avoid Snag Hazards:** Do not attach any accessories that could become snag hazards, especially during HELO or Airborne operations.
- **Inspect Regularly:** Check the RAID Cover regularly for signs of wear or damage, especially at attachment points.
- **Proper Fit:** Ensure the RAID Cover fits your helmet correctly to avoid any movement that could impede safety.
- **Use Velcro Correctly:** When attaching accessories, ensure Velcro is securely fastened to prevent detachment during use.
- **Follow Manufacturer Instructions:** Always adhere to the instructions provided by Spiritus Systems for the best performance and safety.

## Instructions for Installation and Usage

1. **Unpack the Product:** Carefully remove the RAID Cover from its packaging. Inspect for any damage or defects.
2. **Fit the Cover:**
  - Align the RAID Cover with the contours of your helmet.
  - Ensure that all edges are securely tucked and that the cover fits snugly.
3. **Attach Accessories:**
  - Use Velcro to attach any accessories such as strobes or identifiers.
  - Ensure that the Velcro is firmly pressed to avoid accidental detachment.
4. **Secure the Cover:**
  - Check that the cover is properly secured around the helmet.
  - Adjust as necessary to ensure a tight fit without compromising comfort.
5. **Conduct a Safety Check:**
  - Before use, perform a safety check to ensure everything is properly installed.
  - Look for any loose attachments or areas of wear.

## Disposal Instructions

- **Recycling:** When disposing of the RAID Cover, please recycle if possible. Check local regulations for guidelines on recycling textiles.
- **Waste Disposal:** If recycling is not an option, dispose of the product in accordance with local waste management regulations.
- **Environmental Responsibility:** Ensure that disposal methods do not harm the environment.

## Contact Information for Further Support

For any questions or concerns regarding the RAID Cover FLUX, please refer to the designated EU contact point associated with this product. Always ensure you have the latest safety information and updates.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
