

# LV-119 REAR COVERT PLATE BAG - SPIRITUS SYSTEMS LV-119 REAR COVERT PLATE BAG (MEDIUM) - WOODLAND

[Home](#)

LV/119 Rear Covert Plate Bag The Spiritus Systems LV/119 Rear COVERT Plate bag is a slick no frills solution for those who need to wear hard plates in the lowest profile possible. A 3" tall velcro loop panel is sewn at chest height for IR identifiers, patches or even our jumbo flags. The cummerbund attachment is a proprietary system that allows for the use of all of our cummerbunds as well as allowing for a wide range of adjustment. The cummerbund attaches inside the plate bag, which is advantageous for two reasons: 1. It doesn't have external mounting that can get snagged or rip off when exiting vehicles in haste. 2. It creates a smooth profile when wearing underneath clothing. The LV/119 Plate Carrier System was designed to be a scalable and highly configurable plate carrier platform. The system will offer accessories ranging from Covert Low Visibility Operations, to High Threat Direct Action Raids. We designed the system to be issued in entirety to operators who can then select the desired configuration to meet their mission requirements. All parts and accessories will be interchangeable throughout the series. Plate Fitment The carrier was designed to fit United States Standard Issue SAPI cut plates, but it will fit other cuts as well as long as they fit within the specifications listed below. The bags were built to accommodate "thicker" plates, but they will not fit plates do not fall within the measurements listed. Medium-10" x 12.5" Large- 10.25" x 13.25" Extra Large- 11" x 14.00" Thickness- MAXIMUM of 1.20" NOTE: This is a component of a Spiritus Systems LV/119 Plate Carrier build. To build a COMPLETE plate carrier you will need to select AT LEAST ONE of each of these items: Spiritus Systems Front Plate Bag Spiritus Systems Rear Plate Bag Spiritus Systems Shoulder Covers Spiritus Systems Cummerbund Set Note: This product may be shown with optional accessories. Made in the USA

# LV119 Rear Covert Plate Bag Safety Instructions

## Introduction

Thank you for choosing the Spiritus Systems LV119 Rear Covert Plate Bag. This product is designed to provide a lowprofile solution for carrying hard plates while ensuring safety and comfort. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the LV119 Rear Covert Plate Bag by following all instructions and guidelines provided.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. If you receive a recall notice, follow the instructions provided for returning or exchanging the product.
- **Online Shopping:** If purchased online, ensure that the platform complies with safety requirements similar to physical stores.
- **Special Consumer Focus:** This product is not intended for children. Ensure it is used by adults who understand its purpose and safety requirements.
- **EU Contact Point:** For safety inquiries, please refer to the EU contact point relevant to this product.
- **Rapid Alerts:** Be aware of updates regarding unsafe products through the EU Safety Gate system.

## Specific Safety Precautions for Use

- **Proper Fit:** Ensure that the hard plates used with the LV119 Rear Covert Plate Bag fit within the specified dimensions:
  - Medium: 10" x 12.5"
  - Large: 10.25" x 13.25"
  - Extra Large: 11" x 14.00"
  - Thickness: Maximum of 1.20"
- **Avoid Snags:** When wearing the bag, be cautious of external elements that may snag on the cummerbund attachment or other parts of the bag.
- **Under Clothing Use:** If wearing the bag under clothing, ensure that it is positioned correctly to avoid discomfort or restricted movement.
- **Regular Inspections:** Periodically check the bag for wear and tear or any damage that may affect its functionality.
- **Follow Manufacturer Instructions:** Always adhere to the installation and usage instructions provided by the manufacturer.

## Instructions for Installation and Usage

### • Installation of Hard Plates:

1. Open the LV119 Rear Covert Plate Bag by unfastening any closures.
2. Insert the hard plates into the designated compartments, ensuring they fit securely.
3. Close the bag securely to prevent the plates from shifting during use.

### • Attaching the Cummerbund:

1. Locate the cummerbund attachment points inside the plate bag.
2. Attach the cummerbund according to the manufacturer's instructions, ensuring it is secure and adjustable to fit comfortably.

### • Wearing the Bag:

1. Adjust the shoulder straps and cummerbund for a snug but comfortable fit.
2. Ensure that the bag does not obstruct your movement and is positioned correctly for optimal weight distribution.
3. When wearing under clothing, check that the bag remains discreet and does not create bulges.

## Disposal Instructions

- **Disposal of the Product:** When the LV119 Rear Covert Plate Bag reaches the end of its life cycle, dispose of it responsibly.
- **Material Recycling:** Check local regulations regarding the disposal of textile products and hard materials. Recycle components where possible.
- **Environmental Considerations:** Avoid disposing of the product in general waste. Seek out recycling programs or facilities that accept such materials.

## Contact Information for Further Support

For any further inquiries or support regarding the LV119 Rear Covert Plate Bag, please refer to the appropriate contact point as outlined in your purchase documentation or the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our priorities.
