

LV-119 REAR COVERT PLATE BAG - SPIRITUS SYSTEMS LV-119 REAR COVERT PLATE BAG (X-LARGE) - MULTICAM BLACK

[Home](#)

LV/119 Rear Covert Plate Bag The Spiritus Systems LV/119 Rear COVERT Plate bag is a slick no frills solution for those who need to wear hard plates in the lowest profile possible. A 3" tall velcro loop panel is sewn at chest height for IR identifiers, patches or even our jumbo flags. The cummerbund attachment is a proprietary system that allows for the use of all of our cummerbunds as well as allowing for a wide range of adjustment. The cummerbund attaches inside the plate bag, which is advantageous for two reasons: 1. It doesn't have external mounting that can get snagged or rip off when exiting vehicles in haste. 2. It creates a smooth profile when wearing underneath clothing. The LV/119 Plate Carrier System was designed to be a scalable and highly configurable plate carrier platform. The system will offer accessories ranging from Covert Low Visibility Operations, to High Threat Direct Action Raids. We designed the system to be issued in entirety to operators who can then select the desired configuration to meet their mission requirements. All parts and accessories will be interchangeable throughout the series. Plate Fitment The carrier was designed to fit United States Standard Issue SAPI cut plates, but it will fit other cuts as well as long as they fit within the specifications listed below. The bags were built to accommodate "thicker" plates, but they will not fit plates do not fall within the measurements listed. Medium-10" x 12.5" Large- 10.25" x 13.25" Extra Large- 11" x 14.00" Thickness- MAXIMUM of 1.20" NOTE: This is a component of a Spiritus Systems LV/119 Plate Carrier build. To build a COMPLETE plate carrier you will need to select AT LEAST ONE of each of these items: Spiritus Systems Front Plate Bag Spiritus Systems Rear Plate Bag Spiritus Systems Shoulder Covers Spiritus Systems Cummerbund Set Note: This product may be shown with optional accessories. Made in the USA

Safety Instruction Guide for LV119 Rear Covert Plate Bag

Introduction

Thank you for choosing the LV119 Rear Covert Plate Bag by Spiritus Systems. This product is designed to provide a lowprofile solution for carrying hard plates. To ensure your safety and the optimal use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the LV119 Rear Covert Plate Bag according to the specifications provided. This product is designed for use with hard plates that meet the specified dimensions.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. If you receive a recall notice, follow the instructions provided for a remedy.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is used only by trained adults.
- **EU Contact Point:** For safety inquiries, refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Be aware of updates regarding unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Proper Fit:** The LV119 Rear Covert Plate Bag is designed for use with United States Standard Issue SAPI cut plates. Ensure that the plates fit within the following dimensions:
 - Medium: 10" x 12.5"
 - Large: 10.25" x 13.25"
 - Extra Large: 11" x 14.00"
 - Thickness: MAXIMUM of 1.20"
- **Avoid Overloading:** Do not exceed the recommended weight limit for the bag, as this may compromise safety and comfort.
- **Inspect Regularly:** Check the condition of the bag and plates regularly for any signs of wear or damage. Replace any damaged components immediately.
- **Use in Appropriate Conditions:** The bag is designed for use in tactical and operational scenarios. Avoid using it in environments it is not intended for, such as extreme weather conditions without proper precautions.
- **Secure Attachment:** Ensure that the cummerbund is securely attached inside the plate bag to prevent it from getting snagged or ripped off during use.

Instructions for Installation and Usage

1. Fitting the Plates:

- Open the LV119 Rear Covert Plate Bag.
- Insert the hard plates into the designated compartments, ensuring they fit securely and snugly.
- Close the bag securely to prevent the plates from shifting during use.

2. Attaching the Cummerbund:

- Locate the cummerbund attachment points inside the plate bag.
- Attach the cummerbund according to the manufacturer's instructions, ensuring a snug fit.

- Adjust the cummerbund to your desired tightness for comfort and stability.

3. **Wearing the Bag:**

- Put the bag on by slipping your arms through the shoulder straps.
- Adjust the shoulder straps for a comfortable fit. Ensure that the bag sits securely on your torso without excessive movement.
- Check the overall fit and adjust as necessary before engaging in any activities.

4. **Removing the Bag:**

- To remove the LV119 Rear Covert Plate Bag, carefully lift it off your shoulders.
- Ensure that no components are snagged on other gear or clothing during removal.

Disposal Instructions

- **Environmental Considerations:** Dispose of the LV119 Rear Covert Plate Bag in accordance with local regulations. Do not dispose of it in regular household waste if it contains hazardous materials.
- **Recycling:** If possible, recycle the bag and its components. Check with local recycling facilities for proper procedures.

Contact Information for Further Support

For any inquiries or support regarding the LV119 Rear Covert Plate Bag, please refer to the contact information provided by the retailer or manufacturer. Always ensure you have the latest information and guidance for safe use.

By following these safety instructions, you can ensure a safe and effective experience with your LV119 Rear Covert Plate Bag. Thank you for your attention to safety, and enjoy using your product responsibly.
