

LV-119 REAR COVERT PLATE BAG - SPIRITUS SYSTEMS LV-119 REAR COVERT PLATE BAG (X-LARGE) - MULTICAM

[Home](#)

LV/119 Rear Covert Plate Bag The Spiritus Systems LV/119 Rear COVERT Plate bag is a slick no frills solution for those who need to wear hard plates in the lowest profile possible. A 3" tall velcro loop panel is sewn at chest height for IR identifiers, patches or even our jumbo flags. The cummerbund attachment is a proprietary system that allows for the use of all of our cummerbunds as well as allowing for a wide range of adjustment. The cummerbund attaches inside the plate bag, which is advantageous for two reasons: 1. It doesn't have external mounting that can get snagged or rip off when exiting vehicles in haste. 2. It creates a smooth profile when wearing underneath clothing. The LV/119 Plate Carrier System was designed to be a scalable and highly configurable plate carrier platform. The system will offer accessories ranging from Covert Low Visibility Operations, to High Threat Direct Action Raids. We designed the system to be issued in entirety to operators who can then select the desired configuration to meet their mission requirements. All parts and accessories will be interchangeable throughout the series. Plate Fitment The carrier was designed to fit United States Standard Issue SAPI cut plates, but it will fit other cuts as well as long as they fit within the specifications listed below. The bags were built to accommodate "thicker" plates, but they will not fit plates do not fall within the measurements listed. Medium-10" x 12.5" Large- 10.25" x 13.25" Extra Large- 11" x 14.00" Thickness- MAXIMUM of 1.20" NOTE: This is a component of a Spiritus Systems LV/119 Plate Carrier build. To build a COMPLETE plate carrier you will need to select AT LEAST ONE of each of these items: Spiritus Systems Front Plate Bag Spiritus Systems Rear Plate Bag Spiritus Systems Shoulder Covers Spiritus Systems Cummerbund Set Note: This product may be shown with optional accessories. Made in the USA

LV119 Rear Covert Plate Bag Safety Instruction Guide

Introduction

Thank you for choosing the LV119 Rear Covert Plate Bag from Spiritus Systems. This product is designed to provide a lowprofile solution for carrying hard plates. To ensure your safety and the effectiveness of this product, please read this safety instruction guide carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the plate bag before use for any signs of damage or wear.
- Do not exceed the maximum plate thickness specified in the product description.
- Keep the product away from sharp objects that may cause punctures or tears.
- Store the product in a cool, dry place when not in use.
- Follow all manufacturer instructions for assembly and usage.

Specific Safety Precautions for Use

- Always ensure that the plate bag is securely fastened before engaging in any activities.
- When using the plate bag with hard plates, ensure that the plates fit within the specified dimensions:
 - Medium: 10" x 12.5"
 - Large: 10.25" x 13.25"
 - Extra Large: 11" x 14.00"
 - Thickness: Maximum of 1.20"
- Avoid wearing the plate bag under tight clothing to prevent discomfort or restricted movement.
- Be cautious when exiting vehicles to prevent snagging or tearing of the plate bag.

Instructions for Installation and Usage

1. Assemble the Plate Bag:

- Open the plate bag and insert the hard plates into the designated compartments.
- Ensure that the plates are positioned correctly and securely.

2. Attach the Cummerbund:

- Use the proprietary cummerbund attachment system to secure the cummerbund inside the plate bag.
- Adjust the cummerbund to fit snugly around your waist for optimal support.

3. Adjust for Fit:

- Make any necessary adjustments to the plate bag and cummerbund to ensure a comfortable fit.
- Check that the plate bag does not shift during movement.

4. Wear the Plate Bag:

- Put on the plate bag and ensure it is properly aligned on your body.
- Adjust the shoulder straps if applicable for added comfort.

Disposal Instructions

- Dispose of the LV119 Rear Covert Plate Bag in accordance with local waste management regulations.
- If the product is damaged beyond repair, consider recycling components where possible.
- Do not burn the product as it may release harmful substances.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of this product, please refer to the manufacturer's website or contact your retailer for assistance.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and effective experience with the LV119 Rear Covert Plate Bag. Always prioritize safety and stay informed about product recalls and safety alerts through official channels. Thank you for your attention to these important safety measures.
