

LV-119 REAR COVERT PLATE BAG - SPIRITUS SYSTEMS LV-119 REAR COVERT PLATE BAG (X-LARGE) - MULTICAM TROPIC

[Home](#)

LV/119 Rear Covert Plate Bag The Spiritus Systems LV/119 Rear COVERT Plate bag is a slick no frills solution for those who need to wear hard plates in the lowest profile possible. A 3" tall velcro loop panel is sewn at chest height for IR identifiers, patches or even our jumbo flags. The cummerbund attachment is a proprietary system that allows for the use of all of our cummerbunds as well as allowing for a wide range of adjustment. The cummerbund attaches inside the plate bag, which is advantageous for two reasons: 1. It doesn't have external mounting that can get snagged or rip off when exiting vehicles in haste. 2. It creates a smooth profile when wearing underneath clothing. The LV/119 Plate Carrier System was designed to be a scalable and highly configurable plate carrier platform. The system will offer accessories ranging from Covert Low Visibility Operations, to High Threat Direct Action Raids. We designed the system to be issued in entirety to operators who can then select the desired configuration to meet their mission requirements. All parts and accessories will be interchangeable throughout the series. Plate Fitment The carrier was designed to fit United States Standard Issue SAPI cut plates, but it will fit other cuts as well as long as they fit within the specifications listed below. The bags were built to accommodate "thicker" plates, but they will not fit plates do not fall within the measurements listed. Medium-10" x 12.5" Large- 10.25" x 13.25" Extra Large- 11" x 14.00" Thickness- MAXIMUM of 1.20" NOTE: This is a component of a Spiritus Systems LV/119 Plate Carrier build. To build a COMPLETE plate carrier you will need to select AT LEAST ONE of each of these items: Spiritus Systems Front Plate Bag Spiritus Systems Rear Plate Bag Spiritus Systems Shoulder Covers Spiritus Systems Cummerbund Set Note: This product may be shown with optional accessories. Made in the USA

Safety Instruction Guide for LV119 Rear Covert Plate Bag

Introduction

Thank you for choosing the LV119 Rear Covert Plate Bag by Spiritus Systems. This guide provides essential safety instructions and guidelines to ensure safe usage of the product. Please read this document thoroughly before use to understand how to operate the bag safely and effectively.

General Safety Guidelines

- Ensure that the LV119 Rear Covert Plate Bag is used only for its intended purpose.
- Regularly inspect the bag for any signs of wear or damage before each use.
- Store the bag in a dry and cool environment to prevent material degradation.
- Keep the bag away from sharp objects that may cause punctures or tears.
- Ensure that all components are securely fastened before use to avoid accidental detachment.
- Be cautious when adjusting straps and attachments to prevent pinching or injury.
- Follow all local laws and regulations regarding the use of tactical gear.

Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for adult users. Do not allow children to use this bag without adult supervision.
- **Weight Limit:** Ensure that the weight of the plates and any additional equipment does not exceed the bag's capacity to maintain comfort and safety.
- **Plate Compatibility:** Only use plates that meet the specified dimensions:
 - Medium: 10" x 12.5"
 - Large: 10.25" x 13.25"
 - Extra Large: 11" x 14.00"
 - Thickness: Maximum of 1.20"
- **Attachment Safety:** When using the cummerbund, ensure it is properly secured inside the plate bag to prevent accidental release during movement.
- **Visibility:** Be aware of your surroundings while wearing the plate bag, as the lowprofile design may reduce visibility.

Instructions for Installation and Usage

1. Plate Insertion:

- Open the rear compartment of the LV119 Rear Covert Plate Bag.
- Insert the hard plates according to the size specifications provided above.
- Ensure that the plates are securely positioned within the bag.

2. Cummerbund Attachment:

- Attach the cummerbund inside the plate bag using the proprietary attachment system.
- Adjust the cummerbund to fit snugly around your torso without restricting movement or breathing.

3. Adjusting Straps:

- Adjust the shoulder straps to your desired length for optimal comfort and fit.
- Ensure that all straps are tightened adequately to prevent shifting during use.

4. Wearing the Bag:

- Put on the plate bag by slipping it over your shoulders.
- Ensure that the bag sits comfortably against your body and does not impede movement.

5. Removing the Bag:

- To remove the plate bag, unfasten the cummerbund and shoulder straps carefully.
- Store the bag in a safe location when not in use.

Disposal Instructions

- Dispose of the LV119 Rear Covert Plate Bag in accordance with local regulations regarding textile waste.
- If the bag is damaged beyond repair, consider recycling the materials if possible.
- Do not burn the bag, as it may release harmful substances when incinerated.

Contact Information for Further Support

For any safety inquiries or concerns regarding the LV119 Rear Covert Plate Bag, please refer to the Spiritus Systems website or your point of purchase for assistance.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with the LV119 Rear Covert Plate Bag. Thank you for your attention to safety and enjoy your product.
