

# LV-119 REAR COVERT PLATE BAG - SPIRITUS SYSTEMS LV-119 REAR COVERT PLATE BAG (X-LARGE) - WOODLAND

[Home](#)

LV/119 Rear Covert Plate Bag The Spiritus Systems LV/119 Rear COVERT Plate bag is a slick no frills solution for those who need to wear hard plates in the lowest profile possible. A 3" tall velcro loop panel is sewn at chest height for IR identifiers, patches or even our jumbo flags. The cummerbund attachment is a proprietary system that allows for the use of all of our cummerbunds as well as allowing for a wide range of adjustment. The cummerbund attaches inside the plate bag, which is advantageous for two reasons: 1. It doesn't have external mounting that can get snagged or rip off when exiting vehicles in haste. 2. It creates a smooth profile when wearing underneath clothing. The LV/119 Plate Carrier System was designed to be a scalable and highly configurable plate carrier platform. The system will offer accessories ranging from Covert Low Visibility Operations, to High Threat Direct Action Raids. We designed the system to be issued in entirety to operators who can then select the desired configuration to meet their mission requirements. All parts and accessories will be interchangeable throughout the series. Plate Fitment The carrier was designed to fit United States Standard Issue SAPI cut plates, but it will fit other cuts as well as long as they fit within the specifications listed below. The bags were built to accommodate "thicker" plates, but they will not fit plates do not fall within the measurements listed. Medium-10" x 12.5" Large- 10.25" x 13.25" Extra Large- 11" x 14.00" Thickness- MAXIMUM of 1.20" NOTE: This is a component of a Spiritus Systems LV/119 Plate Carrier build. To build a COMPLETE plate carrier you will need to select AT LEAST ONE of each of these items: Spiritus Systems Front Plate Bag Spiritus Systems Rear Plate Bag Spiritus Systems Shoulder Covers Spiritus Systems Cummerbund Set Note: This product may be shown with optional accessories. Made in the USA

# LV119 Rear Covert Plate Bag Safety Instruction Guide

## Introduction

Thank you for choosing the Spiritus Systems LV119 Rear Covert Plate Bag. This product is designed to provide a lowprofile solution for carrying hard plates. To ensure your safety and the optimal use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- **Product Safety:** This product is designed for safe use in accordance with EU safety regulations. Ensure that you understand the proper usage before engaging in any activities.
- **Enhanced Recalls:** In the event of a product recall, you will receive standardized notices. Please follow the instructions provided for any remedies.
- **Online Shopping:** Whether purchased online or instore, this product meets all safety requirements applicable in the EU.
- **Special Consumer Focus:** Extra care should be taken when this product is used by vulnerable groups, including children. This product is not intended for use by children.
- **EU Contact Point:** For any safety inquiries, please refer to the designated contact point provided with your purchase.
- **Rapid Alerts:** Stay informed about any safety updates or alerts regarding this product through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Proper Fitment:** Ensure that the hard plates used in this carrier conform to the specified dimensions: Medium: 10" x 12.5" Large: 10.25" x 13.25" Extra Large: 11" x 14.00" Thickness: Maximum of 1.20"
- **Avoid Snags:** When exiting vehicles or engaging in activities, be cautious of external mounting that may snag or pull away.
- **Wear Under Clothing:** For the best experience, wear the plate bag under clothing to maintain a smooth profile and avoid any potential hazards.
- **Regular Inspections:** Periodically check the integrity of the bag and the cummerbund attachment to ensure they are in good condition.
- **Follow Weight Limits:** Do not exceed any specified weight limits that could compromise the functionality and safety of the plate carrier.

## Instructions for Installation and Usage

### 1. Fitting the Plates:

- Open the rear compartment of the LV119 Rear Covert Plate Bag.
- Insert the hard plates according to the size specifications listed above.
- Ensure that the plates are securely fitted and do not shift during use.

### 2. Attaching the Cummerbund:

- Use the proprietary cummerbund attachment system to connect the cummerbund inside the plate bag.
- Adjust the cummerbund to ensure a snug fit, allowing for a wide range of motion while maintaining security.

### 3. Using the Velcro Loop Panel:

- Utilize the 3" tall velcro loop panel at chest height for attaching IR identifiers, patches, or flags.
- Ensure that any items attached do not obstruct visibility or movement.

#### 4. **Wearing the Plate Bag:**

- Don the plate bag over your shoulders and adjust the straps for comfort.
- Ensure that the bag fits snugly against your body to prevent movement during activities.

#### 5. **Removing the Plate Bag:**

- Carefully remove the plate bag by unfastening the straps.
- Store the plate bag in a cool, dry place when not in use.

## **Disposal Instructions**

- **Environmental Considerations:** Dispose of the product in accordance with local regulations regarding textile and plastic waste.
- **Recycling:** Where possible, recycle the materials to minimize environmental impact.
- **Hazardous Materials:** Do not incinerate as this product may contain materials that could be harmful when burned.

## **Contact Information for Further Support**

For any questions or support regarding the Spiritus Systems LV119 Rear Covert Plate Bag, please refer to the contact information provided with your purchase.

By following these guidelines and instructions, you can ensure the safe and effective use of your LV119 Rear Covert Plate Bag. Thank you for your attention to safety and compliance.
