

# **LV-119 REAR COVERT PLATE BAG - SPIRITUS SYSTEMS LV-119 REAR COVERT PLATE BAG (X-LARGE) - WOLF GREY**

[Home](#)

LV/119 Rear Covert Plate Bag The Spiritus Systems LV/119 Rear COVERT Plate bag is a slick no frills solution for those who need to wear hard plates in the lowest profile possible. A 3" tall velcro loop panel is sewn at chest height for IR identifiers, patches or even our jumbo flags. The cummerbund attachment is a proprietary system that allows for the use of all of our cummerbunds as well as allowing for a wide range of adjustment. The cummerbund attaches inside the plate bag, which is advantageous for two reasons: 1. It doesn't have external mounting that can get snagged or rip off when exiting vehicles in haste. 2. It creates a smooth profile when wearing underneath clothing. The LV/119 Plate Carrier System was designed to be a scalable and highly configurable plate carrier platform. The system will offer accessories ranging from Covert Low Visibility Operations, to High Threat Direct Action Raids. We designed the system to be issued in entirety to operators who can then select the desired configuration to meet their mission requirements. All parts and accessories will be interchangeable throughout the series. Plate Fitment The carrier was designed to fit United States Standard Issue SAPI cut plates, but it will fit other cuts as well as long as they fit within the specifications listed below. The bags were built to accommodate "thicker" plates, but they will not fit plates do not fall within the measurements listed. Medium-10" x 12.5" Large- 10.25" x 13.25" Extra Large- 11" x 14.00" Thickness- MAXIMUM of 1.20" NOTE: This is a component of a Spiritus Systems LV/119 Plate Carrier build. To build a COMPLETE plate carrier you will need to select AT LEAST ONE of each of these items: Spiritus Systems Front Plate Bag Spiritus Systems Rear Plate Bag Spiritus Systems Shoulder Covers Spiritus Systems Cummerbund Set Note: This product may be shown with optional accessories. Made in the USA

# Safety Instruction Guide for LV119 Rear Covert Plate Bag

## Introduction

Thank you for choosing the LV119 Rear Covert Plate Bag by Spiritus Systems. This product is designed to provide a lowprofile solution for carrying hard plates securely. To ensure your safety and the optimal performance of this product, please read and follow all safety instructions carefully.

## General Safety Guidelines

- **Product Safety:** This product is designed to ensure safe use for all users. Please follow the usage guidelines to avoid any risk of injury.
- **Enhanced Recalls:** In case of any safety issues, standardized recall notices will be issued. Stay updated on any recalls related to this product.
- **Online Shopping:** When purchasing online, ensure that you buy from authorized retailers that comply with safety requirements.
- **Special Consumer Focus:** Extra care should be taken for vulnerable groups, including children. This product is not intended for use by children.
- **EU Contact Point:** For any safety inquiries, please reach out to an EUbased contact point.
- **Rapid Alerts:** Stay informed about unsafe products through the EU's Safety Gate system.

## Specific Safety Precautions for Use

- **Proper Fit:** Ensure that the plate bag fits the specified plate sizes. Using plates that do not fit may create safety hazards.
- **Weight Limit:** Do not exceed the maximum thickness of 1.20 inches for plates. Using thicker plates may compromise safety.
- **Check for Damage:** Regularly inspect the plate bag for any signs of wear or damage. Do not use if any part is compromised.
- **Secure Attachment:** Ensure that the cummerbund is securely attached to avoid accidental detachment during use.
- **Avoid Extreme Conditions:** Do not expose the bag to extreme temperatures or harsh chemicals that may degrade the material.

## Instructions for Installation and Usage

### 1. Plate Insertion:

- Open the plate bag and insert the hard plate into the designated compartment.
- Ensure that the plate is properly aligned within the bag.

### 2. Cummerbund Attachment:

- Attach the cummerbund inside the plate bag as per the instructions provided with the cummerbund.
- Adjust the cummerbund for a secure fit around your torso.

### 3. Wearing the Plate Bag:

- Put on the plate bag and adjust the shoulder straps for comfort.
- Ensure that the bag sits securely against your body without excessive movement.

#### **4. Use of Velcro Panel:**

- Utilize the 3inch velcro loop panel for attaching IR identifiers or patches as needed.
- Ensure that any items attached do not obstruct your movement or visibility.

#### **5. Regular Maintenance:**

- Clean the plate bag regularly with mild soap and water to maintain its integrity.
- Store the bag in a cool, dry place when not in use.

## **Disposal Instructions**

- **Environmental Considerations:** Dispose of the product in accordance with local regulations. Do not dispose of in regular household waste.
- **Recycling:** If possible, recycle materials according to local recycling guidelines to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of the LV119 Rear Covert Plate Bag, please contact your local authorized retailer or an EUbased support point for assistance.

Thank you for your attention to these safety instructions. Your safety is our priority.
