

# BACK STRAP - SPIRITUS SYSTEMS BACK STRAP - MULTICAM TROPIC

[Shooting Accessories](#) > [Tactical Gear](#) > [Chest Rigs](#)

It's pretty simple: if you have a Micro Fight Chest Rig, you're going to need this. The Back Strap provides the retention necessary to keep the Chassis close to your body. The back strap attaches to the lower buckles on your Micro Fight Chest Rig and wraps around your lower back. This strap can also be used as a sling if you wish to carry your Micro Fight in a cross-body configuration as a "Go Bag." The Micro Fight Back Strap has a maximum adjustment of 36 inches and a minimum adjustment of 8 inches. NOTE: The BACK STRAP is part of the Micro Fight Chest Rig System. This item does not include the chassis, shoulder straps, magazine inserts, or any other accessories. The BACK STRAP is a necessary component of the Micro Fight Chest Rig System when running as a stand-alone system and highly suggested on a plate carrier. Some images shown with optional accessories, sold separately.

# Safety Instruction Guide for BACK STRAP SPIRITUS SYSTEMS BACK STRAP MULTICAM TROPIC

## Introduction

Thank you for choosing the BACK STRAP SPIRITUS SYSTEMS BACK STRAP MULTICAM TROPIC. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before use.

## General Safety Guidelines

- Ensure that the BACK STRAP is used only with the Micro Fight Chest Rig as intended.
- Always check the strap for signs of wear or damage before each use.
- Do not exceed the maximum adjustment of 36 inches or use the strap below the minimum adjustment of 8 inches.
- Keep the BACK STRAP away from children and vulnerable individuals.
- If you notice any irregularities during use, discontinue use immediately and seek assistance.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always secure the BACK STRAP properly to avoid accidental release.
- When using the BACK STRAP in a crossbody configuration, ensure that it is adjusted correctly to prevent slipping.
- Avoid using the BACK STRAP in wet or slippery conditions to maintain grip and stability.
- Do not use the BACK STRAP for any purpose other than its intended use as described in this guide.
- Be cautious when adjusting the strap to avoid pinching skin or clothing.

## Instructions for Installation and Usage

### 1. Installation:

- Locate the lower buckles on your Micro Fight Chest Rig.
- Attach the BACK STRAP to the lower buckles securely.
- Ensure that the strap wraps comfortably around your lower back.

### 2. Adjustment:

- Adjust the BACK STRAP to your preferred length, ensuring it is snug but not overly tight.
- Confirm that the strap does not obstruct movement or cause discomfort.

### 3. Using as a Sling:

- To use the BACK STRAP as a sling, adjust the strap to a comfortable length for crossbody carry.
- Ensure that the rig is balanced and secure while in this configuration.

## Disposal Instructions

- Dispose of the BACK STRAP responsibly. If the product is no longer in use or damaged, consider recycling options where available.
- Do not dispose of the BACK STRAP in regular household waste if it contains any hazardous materials.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the BACK STRAP SPIRITUS SYSTEMS BACK STRAP MULTICAM TROPIC, please refer to the manufacturer's contact information provided with your product packaging.

This safety instruction guide is designed to ensure your safety and satisfaction with the BACK STRAP. Adhering to these guidelines will help you utilize the product effectively and safely. Thank you for your attention to these important safety measures.
