

BACK STRAP - SPIRITUS SYSTEMS BACK STRAP - WOODLAND

[Shooting Accessories](#) > [Tactical Gear](#) > [Chest Rigs](#)

It's pretty simple: if you have a Micro Fight Chest Rig, you're going to need this. The Back Strap provides the retention necessary to keep the Chassis close to your body. The back strap attaches to the lower buckles on your Micro Fight Chest Rig and wraps around your lower back. This strap can also be used as a sling if you wish to carry your Micro Fight in a cross-body configuration as a "Go Bag." The Micro Fight Back Strap has a maximum adjustment of 36 inches and a minimum adjustment of 8 inches. NOTE: The BACK STRAP is part of the Micro Fight Chest Rig System. This item does not include the chassis, shoulder straps, magazine inserts, or any other accessories. The BACK STRAP is a necessary component of the Micro Fight Chest Rig System when running as a stand-alone system and highly suggested on a plate carrier. Some images shown with optional accessories, sold separately.

BACK STRAP SPIRITUS SYSTEMS BACK STRAP WOODLAND Safety Instruction Guide

Introduction

Thank you for choosing the BACK STRAP SPIRITUS SYSTEMS BACK STRAP WOODLAND. This product is designed to enhance the functionality of your Micro Fight Chest Rig by providing essential support and retention. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the BACK STRAP is used only with compatible Micro Fight Chest Rigs.
- Regularly inspect the BACK STRAP for any signs of wear or damage before each use.
- Keep the BACK STRAP away from children and vulnerable individuals unless under adult supervision.
- Do not use the BACK STRAP for any purpose other than intended.
- If you notice any defects or issues, discontinue use immediately and report the problem.

Specific Safety Precautions for Use

- Adjust the BACK STRAP to fit snugly around your lower back, ensuring it does not restrict movement.
- Do not exceed the maximum adjustment length of 36 inches or use it below the minimum adjustment length of 8 inches.
- When using the BACK STRAP in a crossbody configuration, ensure that it is securely fastened to prevent accidental detachment.
- Avoid using the BACK STRAP in wet conditions, as moisture may affect its integrity and performance.
- Be mindful of your surroundings and avoid entanglement with other equipment or objects while wearing the BACK STRAP.

Instructions for Installation and Usage

1. Installation

- Locate the lower buckles on your Micro Fight Chest Rig.
- Attach the BACK STRAP to the lower buckles, ensuring a secure fit.
- Wrap the BACK STRAP around your lower back and adjust to your desired length, ensuring it is snug but comfortable.

2. Usage

- Once installed, check that the BACK STRAP is securely fastened.
- If using as a sling for crossbody carry, ensure that the strap is adjusted properly to maintain balance and comfort.
- Always perform a final check of the strap's security before engaging in any activity.

Disposal Instructions

- When the BACK STRAP is no longer needed or is damaged beyond repair, dispose of it responsibly.
- Do not dispose of the BACK STRAP in regular household waste. Instead, follow local regulations for the disposal of textile products.
- Consider recycling options if available in your area.

Contact Information for Further Support
