

# BACK STRAP - SPIRITUS SYSTEMS BACK STRAP - WOLF GREY

[Shooting Accessories](#) > [Tactical Gear](#) > [Chest Rigs](#)

It's pretty simple: if you have a Micro Fight Chest Rig, you're going to need this. The Back Strap provides the retention necessary to keep the Chassis close to your body. The back strap attaches to the lower buckles on your Micro Fight Chest Rig and wraps around your lower back. This strap can also be used as a sling if you wish to carry your Micro Fight in a cross-body configuration as a "Go Bag." The Micro Fight Back Strap has a maximum adjustment of 36 inches and a minimum adjustment of 8 inches. NOTE: The BACK STRAP is part of the Micro Fight Chest Rig System. This item does not include the chassis, shoulder straps, magazine inserts, or any other accessories. The BACK STRAP is a necessary component of the Micro Fight Chest Rig System when running as a stand-alone system and highly suggested on a plate carrier. Some images shown with optional accessories, sold separately.

# BACK STRAP SPIRITUS SYSTEMS BACK STRAP WOLF GREY Safety Instruction Guide

## Introduction

Thank you for choosing the BACK STRAP SPIRITUS SYSTEMS BACK STRAP in Wolf Grey. This guide provides important safety instructions and usage guidelines to ensure that you can use this product safely and effectively. This product is designed to be used with the Micro Fight Chest Rig System, providing necessary retention and support.

## General Safety Guidelines

- Ensure that the BACK STRAP is used only with compatible equipment, specifically the Micro Fight Chest Rig.
- Regularly inspect the strap for wear and tear. Do not use if any damage is detected.
- Keep the strap out of reach of children to prevent accidental use or injury.
- Use the strap in accordance with the manufacturer's instructions to avoid accidents.
- If you experience any discomfort or issues while using the strap, discontinue use immediately.

## Specific Safety Precautions for Use

- Always ensure that the BACK STRAP is securely attached to the lower buckles of the Micro Fight Chest Rig before use.
- Adjust the strap to fit snugly against your body, ensuring it is comfortable yet secure.
- Do not exceed the maximum adjustment of 36 inches or use the strap at its minimum adjustment of 8 inches if it does not fit properly.
- When using the strap as a sling, ensure that it is positioned correctly to avoid any risk of slipping or falling.
- Be cautious when moving or engaging in physical activities while wearing the strap to prevent injury.

## Instructions for Installation and Usage

### 1. Installation:

- Locate the lower buckles on your Micro Fight Chest Rig.
- Attach the BACK STRAP securely to both lower buckles.
- Ensure that the strap is properly threaded and locked into place.

### 2. Adjustment:

- Adjust the strap length by sliding the adjustment mechanism.
- Ensure that the strap fits comfortably around your lower back while maintaining a secure hold on the Chassis.

### 3. Usage:

- When using the strap, ensure that it is wrapped around your lower back and does not obstruct your movement.
- If using as a sling, position the strap diagonally across your body, ensuring it is secure and comfortable.
- Regularly check the strap during use to ensure it remains secure and does not shift.

## **Disposal Instructions**

- Dispose of the BACK STRAP in accordance with local regulations.
- If the strap is damaged or no longer needed, consider recycling if possible, or dispose of it in general waste.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the BACK STRAP, please refer to your retailer or the manufacturer's website for guidance and assistance.

Thank you for following these safety instructions. Your safety is our priority, and proper use of the BACK STRAP will enhance your experience with the Micro Fight Chest Rig System.
