

# EXPANDER WING MK 2 - SPIRITUS SYSTEMS EXPANDER WING MK 2 - MULTICAM BLACK

[Shooting Accessories](#) > [Tactical Gear](#) > [Accessories](#)

The Expander Wing Mk 2 was built as direct replacement for the original Spiritus Systems Micro Fight Expander Wing Set with a focus on enhancing the product's functionality for plate carriers. The wing attaches to a Micro Fight Chassis or 556 Placard with a Velcro flap and can be mounted for increased storage capacity on a chest rig or under the cummerbunds of a LV/119.

Unlike its predecessor, the Expander Wing Mk 2 is completely reversible, and can be used on either the right or left side of the torso without any reduction in functionality or storage capacity. Spiritus Systems sells the Expander Wing Mk 2 individually for end users who do not require a full set for their loadout. (Reminder: If you want a set of these, make sure to add TWO to the cart.)

Wings used for chest rigs are mounted to the soft loop Velcro field on the back side of the Micro Fight Chest Rig. They also utilize Spiritus Systems unique loop over design that attaches to your Fat or Skinny straps to ensure a comfortable and stable attachment that will not sag even with heavy items placed inside. When used in conjunction with plate carriers, the Expander Wing Mk 2 will integrate with both Velcro and TUBES cummerbunds. The wing features a TUBES bar pass-through so the cummerbund can be attached or separated without the need to remove the expander wing. The Expander Wing Mk 2 is designed to hug the body which reduces their signature and securely holds items in place. The base Expander Wing Mk 2 pocket depth is 6" however, the adjustable internal retention strap can be lengthened or shortened to create the perfect pocket depth for your items. The top of the pocket also features double eyelets and a bungee retention kit, so radios and magazines remain secure during periods of movement. The expander wing will hold most small & medium caliber rifle magazines as well as a variety of radio platforms like the MPU5, 152, 163, and smaller units like Motorola XTS 5000.

## Attributes

- Name: [SPIRITUS SYSTEMS EXPANDER WING MK 2 - MULTICAM BLACK](#)

# EXPANDER WING MK 2 Safety Instruction Guide

## Introduction

Thank you for choosing the EXPANDER WING MK 2 by Spiritus Systems. This product is designed to enhance the functionality of your plate carrier system. To ensure safe use and optimal performance, please read this safety instruction guide carefully.

## General Safety Guidelines

- **Product Safety:** Ensure that the EXPANDER WING MK 2 is used as intended. This product is designed for specific applications and should not be modified or used outside its intended purpose.
- **Enhanced Recalls:** In the event of a product recall, you will be notified through standardized notices. Please keep your purchase details for reference.
- **Online Shopping:** If you purchased this product online, be aware that the same safety protections apply as if you had purchased it in a physical store.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is stored in a safe place away from their reach.
- **EU Contact Point:** For any safety inquiries regarding this product, please refer to the relevant EU contact point provided by the manufacturer.
- **Rapid Alerts:** Stay informed about any updates related to product safety via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Proper Attachment:** Ensure that the EXPANDER WING MK 2 is securely attached to your Micro Fight Chassis or 556 Placard using the Velcro flap. Improper attachment may lead to loss of items or injury.
- **Weight Limits:** Do not overload the EXPANDER WING MK 2. Excessive weight can compromise the stability of the product and may lead to failure during use.
- **Reversible Use:** Take care when switching the orientation of the EXPANDER WING MK 2. Ensure that it is properly configured for either the right or left side to maintain functionality.
- **Internal Retention Strap:** Adjust the internal retention strap to ensure that items stored within the pocket are secure. A loose strap may result in items falling out during movement.
- **Compatibility Checks:** When integrating with plate carriers, ensure compatibility with both Velcro and TUBES cummerbunds to avoid functionality issues.
- **Secure Storage:** Always ensure that radios and magazines are secured in the designated pockets with the bungee retention kit to prevent movement during use.

## Instructions for Installation and Usage

### 1. Attachment to Micro Fight Chassis or 556 Placard:

- Align the EXPANDER WING MK 2 with the Velcro field on the back of the Micro Fight Chassis or 556 Placard.
- Press firmly to ensure a secure attachment.

### 2. Adjusting the Internal Retention Strap:

- Locate the internal retention strap inside the pocket.
- Pull the strap to lengthen or shorten it as needed for your items.
- Ensure the strap is tight enough to hold items securely without being overly restrictive.

### 3. Using the Bungee Retention Kit:

- Thread the bungee cord through the double eyelets at the top of the pocket.
- Adjust the tension of the bungee to secure items such as radios and magazines.

#### 4. **Mounting on Chest Rigs:**

- Attach the EXPANDER WING MK 2 to the soft loop Velcro field on the back side of the Micro Fight Chest Rig.
- Ensure that it is securely fastened and check for stability before use.

#### 5. **Integration with Plate Carriers:**

- If using with a TUBES cummerbund, pass the TUBES bar through the designated passthrough feature on the EXPANDER WING MK 2.
- Ensure that the cummerbund can be attached or separated easily without removing the EXPANDER WING MK 2.

## **Disposal Instructions**

- **Disposal of Product:** When the EXPANDER WING MK 2 reaches the end of its life cycle, dispose of it in accordance with local regulations regarding textile and fabric waste.
- **Environmental Considerations:** Do not burn or incinerate the product. Instead, consider recycling options where available.

## **Contact Information for Further Support**

For any further support or inquiries regarding the EXPANDER WING MK 2, please refer to the manufacturer's official website or customer service channels.

By following these safety instructions, you can ensure a safe and effective experience with your EXPANDER WING MK 2. Thank you for your attention to these guidelines, and enjoy your product!
