

FAT STRAP - SPIRITUS SYSTEMS FAT STRAP - MULTICAM ARID

[Shooting Accessories](#) > [Tactical Gear](#) > [Chest Rigs](#)

Configure your rig for stand alone wear with our Micro Fight Fat Straps. Brilliance in the Basics means that we constructed these without complicated yoke systems or unnecessary features. This reduced profile design includes horizontal webbing and elastic mounting points for hanging Push-To-Talks or weaving cables and water carrier tubes. A Velcro loop patch on the back completes the Straps for placement of name tapes or IR Markers. The FAT STRAP is a single strap. You do NOT need to order two to complete your Micro Fight Chest Rig. You only need to order ONE. NOTE: The FAT STRAP is part of the Micro Fight Chest Rig System. This item does not include the chassis, back strap, magazine inserts, or any other accessories. Some images are shown with optional accessories, sold separately.

Safety Instruction Guide for FAT STRAP SPIRITUS SYSTEMS FAT STRAP MULTICAM ARID

Introduction

Thank you for purchasing the FAT STRAP by SPIRITUS SYSTEMS. This product is designed to enhance your Micro Fight Chest Rig experience. To ensure your safety and the longevity of the product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the FAT STRAP is used only for its intended purpose.
- Regularly inspect the strap for any signs of wear, damage, or malfunction.
- Keep the product away from children and vulnerable individuals unless supervised.
- Do not modify the FAT STRAP in any way, as this may compromise its safety and effectiveness.
- If you encounter any issues or concerns regarding the product, cease use immediately and seek assistance.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper use may lead to the strap detaching, which could result in injury.
 - Failure to secure the strap properly may cause equipment to become loose or fall.
- **Avoiding Hazards:**
 - Always ensure the strap is tightly secured before use.
 - Do not overload the strap with excessive weight beyond its intended capacity.
 - Avoid using the strap in extreme weather conditions that could compromise its integrity.

Instructions for Installation and Usage

1. **Installation:**
 - Locate the designated attachment points on your Micro Fight Chest Rig.
 - Thread the FAT STRAP through the attachment points, ensuring it is oriented correctly.
 - Secure the strap by adjusting the tension to your comfort level.
2. **Usage:**
 - Once installed, check that the strap is firmly in place.
 - Use the horizontal webbing and elastic mounting points to attach PushToTalks or other accessories as needed.
 - For added personalization, utilize the Velcro loop patch on the back for name tapes or IR markers.
3. **Regular Checks:**
 - Frequently check the strap for any signs of wear or damage.
 - Ensure that all attachments are secure before each use.

Disposal Instructions

- Dispose of the FAT STRAP in accordance with local regulations.
- If the strap is damaged beyond use, consider recycling materials where possible.
- Do not dispose of the strap in regular household waste if it can be recycled.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please reach out to the designated contact point provided with your purchase. It is important to have a reliable source for addressing any concerns you may have.

regarding the FAT STRAP.

Thank you for choosing SPIRITUS SYSTEMS. Your safety and satisfaction are our top priorities.
