

# FAT STRAP - SPIRITUS SYSTEMS FAT STRAP - MULTICAM TROPIC

[Shooting Accessories](#) > [Tactical Gear](#) > [Chest Rigs](#)

Configure your rig for stand alone wear with our Micro Fight Fat Straps. Brilliance in the Basics means that we constructed these without complicated yoke systems or unnecessary features. This reduced profile design includes horizontal webbing and elastic mounting points for hanging Push-To-Talks or weaving cables and water carrier tubes. A Velcro loop patch on the back completes the Straps for placement of name tapes or IR Markers. The FAT STRAP is a single strap. You do NOT need to order two to complete your Micro Fight Chest Rig. You only need to order ONE. NOTE: The FAT STRAP is part of the Micro Fight Chest Rig System. This item does not include the chassis, back strap, magazine inserts, or any other accessories. Some images are shown with optional accessories, sold separately.

## Introduction

Thank you for choosing the FAT STRAP from SPIRITUS SYSTEMS. This guide provides essential safety instructions to ensure the proper and safe use of your product. Please read this document carefully before using the FAT STRAP.

## General Safety Guidelines

- Ensure that the FAT STRAP is used only as intended and within the guidelines provided in this manual.
- Inspect the FAT STRAP before each use for any signs of wear or damage. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- If you experience any discomfort while using the FAT STRAP, discontinue use immediately and consult a professional.

## Specific Safety Precautions for Use

- Do not overload the FAT STRAP with excessive weight, as this may compromise its integrity and safety.
- Avoid using the FAT STRAP in extreme weather conditions, such as heavy rain or extreme heat, which may affect performance.
- Ensure that all mounting points and attachments are securely fastened before use to prevent accidental detachment.
- Use only compatible accessories with the FAT STRAP to ensure safety and functionality.

## Instructions for Installation and Usage

### 1. Installation:

- Identify the mounting points on your Micro Fight Chest Rig where the FAT STRAP will be attached.
- Align the FAT STRAP with the designated attachment points.
- Securely fasten the strap using the provided connectors, ensuring that it is tight and stable.

### 2. Usage:

- Once installed, adjust the FAT STRAP to fit comfortably around your body.
- Ensure that the strap is not twisted and lies flat against your body for optimal comfort.
- Attach any additional equipment, such as PushToTalks or water carrier tubes, to the designated mounting points on the FAT STRAP.
- Regularly check the strap and attachments during use to ensure everything remains securely fastened.

## Disposal Instructions

- When the FAT STRAP has reached the end of its life or is no longer needed, dispose of it responsibly.
- Check local regulations for proper disposal methods of textile products.
- Do not dispose of in regular household waste if local regulations require recycling or special handling.
