

MICRO FIGHT CHASSIS MK4 - SPIRITUS SYSTEMS MICRO FIGHT CHASSIS MK4 - MULTICAM BLACK

[Shooting Accessories](#) > [Tactical Gear](#) > [Chest Rigs](#)

The Micro Fight Chest Rig Mk4 is designed to be extremely efficient, modular, and lightweight. The Micro Fight works seamlessly with Spiritus Systems accessories suite, which offers nearly endless configurations. The Micro Fight features soft loop Velcro in both pockets to enable you to put mission essential items where you want them based on your individual needs. The improved profile allows for the use of six 5.56 x .45 style magazines or four 7.62 x .51 magazines or any combination of rifle and pistol magazines. The 5" x 9" field of hard loop Velcro on the back of the rig allows for solid integration with accessories, such as the SACK Pouch or Expander Wings. The larger Velcro field also allows a solid integration onto plate carriers, such as the LV119. In addition to the larger Velcro field, the MK 4 also allows for sub load integration of a tourniquet utilizing the two integrated grommets and our Universal Retention Kit. **Unmatched Versatility** The Micro Fight Chest Rig sports a host of accessories like no other system. The user can select from any of our accessories to meet operational requirements. The platform is lightweight and small while still allowing you to carry multiple types of munitions and equipment. Examples include rifle and pistol Magazines, 37/40mm grenades, flash-bangs, multi-tools, flashlights, medical supplies, and breaching equipment. **Stand Alone System** The Micro Fight Chest Rig was designed to perform as a stand-alone system. It can be configured for wear in low visibility environments that require minimal printing through clothing with maximum equipment storage. It can also be configured for high visibility operations where a full spectrum of equipment is required. **Placard Configuration** The Micro Fight Chest Rig was designed to work seamlessly as a "Placard" for plate carrier systems. Simply remove the 1 inch side release buckles and attach the system via the hard loop Velcro located on the back of the system to your plate carrier. This configuration allows for profile expansion or reduction as mission requirements change. **NOTE:** The CHASSIS is part of the Micro Fight Chest Rig System. This item does not include shoulder straps, back strap, half or full flaps, magazine inserts, or any other accessories. Additional components are required for proper use. If running as a stand-alone system, shoulder straps, back strap, magazine inserts, and possibly full or half flaps are needed. If running on a plate carrier, flap(s), and magazine insert(s) are needed. Some images shown with optional accessories, sold separately.

Safety Instruction Guide for MICRO FIGHT CHASSIS MK4

Introduction

Thank you for choosing the MICRO FIGHT CHASSIS MK4 by Spiritus Systems. This product is designed for efficient, modular, and lightweight use in various operational environments. To ensure your safety and the optimal performance of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the MICRO FIGHT CHASSIS MK4 is used only for its intended purpose as described in the product specifications.
- Regularly inspect the product for any signs of wear, damage, or malfunction before each use.
- Do not modify or alter the product in any way that could affect its performance or safety.
- Keep the product out of reach of children and vulnerable individuals who may not understand its intended use.
- In case of an emergency or if the product is found to be defective, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Potential hazards may include:
 - Improper attachment to plate carriers leading to equipment failure.
 - Overloading the rig beyond its intended capacity, which may cause damage or injury.
 - Sharp edges from accessories that may cause cuts or abrasions.
- **Avoiding Hazards:**
 - Ensure all attachments are securely fastened before use.
 - Do not exceed the specified capacity for carrying magazines and equipment.
 - Handle all accessories with care to avoid injury.
- **Age Specific Warnings:**
 - This product is not intended for use by children. Ensure that it is used only by individuals trained in its operation.

Instructions for Installation and Usage

1. Installation on Plate Carrier:

- Remove the 1inch side release buckles from the MICRO FIGHT CHASSIS MK4.
- Attach the hard loop Velcro located on the back of the system to your plate carrier.
- Ensure that the attachment is secure before proceeding to use the rig.

2. Configuration for Use:

- Adjust the configuration based on your mission requirements, allowing for profile expansion or reduction as necessary.
- Utilize the soft loop Velcro in the pockets to organize missionessential items according to your needs.

3. Loading the Rig:

- Load magazines and equipment in accordance with the specified capacity:

- Up to six 5.56 x .45 style magazines.
- Up to four 7.62 x .51 magazines.
- A combination of rifle and pistol magazines as needed.
- Ensure that all items are securely stored to prevent shifting during movement.

4. Sub Load Integration:

- For tourniquet integration, utilize the two integrated grommets and the Universal Retention Kit provided.

Disposal Instructions

- Dispose of the MICRO FIGHT CHASSIS MK4 in accordance with local regulations for textile and plastic waste.
- Do not dispose of the product in regular household waste. Instead, seek local recycling options or designated disposal sites.

Contact Information for Further Support

For any safety inquiries or additional support regarding the MICRO FIGHT CHASSIS MK4, please refer to the contact information provided on the product packaging or your place of purchase.

By following these safety instructions, you can ensure the safe and effective use of the MICRO FIGHT CHASSIS MK4. Thank you for your attention to safety and for choosing Spiritus Systems.
