

MICRO FIGHT CHASSIS MK4 - SPIRITUS SYSTEMS MICRO FIGHT CHASSIS MK4 - WOLF GREY

[Shooting Accessories](#) > [Tactical Gear](#) > [Chest Rigs](#)

The Micro Fight Chest Rig Mk4 is designed to be extremely efficient, modular, and lightweight. The Micro Fight works seamlessly with Spiritus Systems accessories suite, which offers nearly endless configurations. The Micro Fight features soft loop Velcro in both pockets to enable you to put mission essential items where you want them based on your individual needs. The improved profile allows for the use of six 5.56 x .45 style magazines or four 7.62 x .51 magazines or any combination of rifle and pistol magazines. The 5" x 9" field of hard loop Velcro on the back of the rig allows for solid integration with accessories, such as the SACK Pouch or Expander Wings. The larger Velcro field also allows a solid integration onto plate carriers, such as the LV119. In addition to the larger Velcro field, the MK 4 also allows for sub load integration of a tourniquet utilizing the two integrated grommets and our Universal Retention Kit. **Unmatched Versatility** The Micro Fight Chest Rig sports a host of accessories like no other system. The user can select from any of our accessories to meet operational requirements. The platform is lightweight and small while still allowing you to carry multiple types of munitions and equipment. Examples include rifle and pistol Magazines, 37/40mm grenades, flash-bangs, multi-tools, flashlights, medical supplies, and breaching equipment. **Stand Alone System** The Micro Fight Chest Rig was designed to perform as a stand-alone system. It can be configured for wear in low visibility environments that require minimal printing through clothing with maximum equipment storage. It can also be configured for high visibility operations where a full spectrum of equipment is required. **Placard Configuration** The Micro Fight Chest Rig was designed to work seamlessly as a "Placard" for plate carrier systems. Simply remove the 1 inch side release buckles and attach the system via the hard loop Velcro located on the back of the system to your plate carrier. This configuration allows for profile expansion or reduction as mission requirements change. **NOTE:** The CHASSIS is part of the Micro Fight Chest Rig System. This item does not include shoulder straps, back strap, half or full flaps, magazine inserts, or any other accessories. Additional components are required for proper use. If running as a stand-alone system, shoulder straps, back strap, magazine inserts, and possibly full or half flaps are needed. If running on a plate carrier, flap(s), and magazine insert(s) are needed. Some images shown with optional accessories, sold separately.

Micro Fight Chassis MK4 Safety Instruction Guide

Introduction

Thank you for choosing the Micro Fight Chassis MK4 by Spiritus Systems. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before use to understand the potential hazards and how to mitigate them.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the Micro Fight Chassis MK4. This product is designed for nonfood use and should not be misused.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. Regularly check for updates.
- **Online Shopping:** If purchased online, ensure that the platform complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the contact information provided by your retailer.
- **Rapid Alerts:** Be aware of the Safety Gate system for updates on unsafe products.

Specific Safety Precautions for Use

- **Proper Fit:** Ensure the Micro Fight Chassis MK4 fits securely on your body to avoid slippage during use.
- **Weight Distribution:** Do not overload the chassis with excessive weight that could compromise safety or functionality.
- **Inspect Before Use:** Regularly inspect the chassis for any signs of wear or damage. Do not use if damaged.
- **Avoid Sharp Objects:** Keep sharp objects away from the chassis to prevent damage to the fabric and components.
- **Use Compatible Accessories:** Only use accessories specifically designed for the Micro Fight Chassis MK4 to ensure safety and compatibility.
- **Training:** Familiarize yourself with the product's features and functions through proper training before use in operational settings.

Instructions for Installation and Usage

1. **Unpacking:** Carefully remove the Micro Fight Chassis MK4 from its packaging. Check for any visible damage.
2. **Attachment to Plate Carrier:**
 - Remove the 1inch side release buckles.
 - Attach the chassis using the hard loop Velcro on the back to your plate carrier.
3. **Adjusting Fit:**
 - Adjust the chassis for a snug fit on your torso.
 - Ensure that all straps are securely fastened.
4. **Loading the Chassis:**
 - Load magazines and equipment according to your mission requirements.
 - Ensure that items are securely placed within the designated pockets.
5. **Sub Load Integration:**
 - If using a tourniquet, utilize the two integrated grommets with the Universal Retention Kit.
6. **Removal:** To remove the chassis, reverse the attachment process and detach any loaded accessories.

Disposal Instructions

- **Environmental Consideration:** Dispose of the Micro Fight Chassis MK4 responsibly.
- **Material Recycling:** Check local regulations for recycling fabric and plastic components.

- **NonRecyclable Parts:** Dispose of nonrecyclable parts in accordance with local waste disposal guidelines.

Contact Information for Further Support

For further assistance or inquiries regarding the Micro Fight Chassis MK4, please refer to the contact information provided by your retailer.

Thank you for choosing the Micro Fight Chassis MK4. Following these guidelines will help ensure safe and effective use of your product.
